### **SOCIETY MEMBER**

Member of the Society for Vascular Ultrasound

Member of the American College of Venous & Lymphatic Medicine

Former Member of the Society of Academic Emergency Medicine

Former Member of the American College of Emergency Physicians

Member of the University of Maryland Emergency Medicine Interest Group

**CHRONOLOGICAL EMPLOYMENT**

10/18-current Endovenous Surgeon, Center for Vascular Medicine

01/18-current Associate Fellowship Program Director at the Center for Vein Restoration for the American Board of Venous and Lymphatic Medicine.

02/12-current Ringside Physician, Maryland State Athletic Commission.

03/11-current Attending Emergency Medicine Physician, Charles Emergency Physicians. Member of the physician staff, Greater Baltimore Medical Center, Towson, Maryland.

02/11-current Regional Medical Director, Director of Sclerotherapy and Chemical Ablation, Center for Vein Restoration.

- Oversee 12 medical clinics in Maryland specializing in the diagnoses and treatment of chronic venous disease.
- Developed CVR's Ultrasound-Guided Sclerotherapy and Visual Sclerotherapy program.
- Trained in endovenous thermal ablation using radiofrequency and laser techniques.
- Trained in new venous closure technologies such as MOCA, Varithena and Venaseal.
- Trained in ultrasound-guided sclerotherapy and visual sclerotherapy.
- Performed over 10,000 venous ablations.

7/09-12/12 Assistant Professor, Georgetown University School of Medicine.

7/05-12/12 Attending Emergency Medicine Physician, Silver Spring Emergency Physicians. Managing partner of Silver Spring Emergency Physician's since 2007. Member of the physician staff, Holy Cross Hospital, Silver Spring, Maryland.

6/02-6/05 Resident Physician, University of Maryland Medical Systems. Department of Surgery, Division of Emergency Medicine. Unique aspects of residency training include:

- Achieving the Society of Academic Emergency Medicine guidelines for certification in emergency department sonography.
- Specializing in ultrasound guided venous access within the emergency environment.
- Attend visiting lecture series and learn from national leaders in the field of emergency medicine. Past speakers include Drs. Tintinalli, Rosen and Levitan.
- Train at R Adams Cowley Shock Trauma Center. Actively participate in all phases of trauma care, from initial resuscitation through critical care, including emergent bedside surgical procedures, to discharge and post-acute/follow-up care.

- Training in Trauma and Pediatric Anesthesia, Toxicology and Critical Care medicine.
- Elective training in trauma radiology.
- Participated in non-clinical components of success in emergency medicine through a dedicated series of workshops in leadership, conflict management and risk management.

- 4/99-01      Research Specialist for Ardinger Consultants and Associates, Columbia, Maryland. Performed advocacy services for individuals with disabilities.
- 5/96-6/98      National Institutes of Health, National Cancer Institute, HIV and AIDS Malignancy Branch. Intramural Research Training Award (IRTA) Fellow. The goal of my research efforts was to better understand the immunopathogenesis of HIV-1, specifically how HIV-1 infection can cause immune dysregulation.
- 4/94-5/96      National Institutes of Health, National Cancer Institute, Pediatric Branch, Infectious Disease Section, AIDS Group.  
Intramural Research Training Award (pre-IRTA) Fellow. The primary goal of my research was to better understand the pathogenesis of HIV-1 infection in the central nervous system (CNS) of children.
