Dear Howard County Planning Board,

This letter is for the members that are part of the HoCo Planning Board. This is a letter showing support for a possible candidate for this team, Mason Godsey (CR92-2023).

I met Mason around 2008 when we both attended Veterans Elementary School. I stayed friends with Mason throughout the years and got to see each other in highschool. In highschool, I really got to see and learn about Mason. He has always shown kindness, intelligence, courageousness, intuition, and honesty. Mason was born a leader: He was a leader for a student-led group at Mt. Hebron, he was leader during his tenures at HCC/UMBC, and he is a leader in his current government contracting job.

Thank you for allowing me to show support for Mason. Support CR92-2023

Alex Kartak

Dear Planning Board,

I want to submit my endorsement for Mason Godsey, of 8204 Weston Drive, Ellicott City, to be appointed to the Howard County Planning Board per resolution CR92-2023. Mason is exceptionally talented and the right person for the job.

For Your Consideration:

- Mason is a young leader and graduate of Mt. Hebron High School, Howard Community College, and UMBC (where my son, Joel B. Coley, Ph.D. also graduated).
- He is uniquely positioned to offer a fresh perspective while maintaining the utmost respect for our excellence in Howard County.
- As a senior technology analyst for a government contractor, Mason's skill set is on point to address the demands that a changing world may have on Howard County.
- Additionally, he recently graduated from Plan Howard Academy, making him well-qualified to serve on Howard County's Planning Board. So, in effect, as a young leader, he will usher in diverse and unrepresented perspectives to the Planning Board.
- Finally, he is a highly focused and engaged resident who fully meets the Planning Board's qualifications.

Please vote to support CR92-2023. Thank you.

Sincerely,

Barry S Coley, MBA

Hello,

I have lived in the neighborhood where Mason Godsey grew up for 25 years. After his family moved in I met Mason and watched him grow into the fine adult he is today.

I would support any motion to appoint Mason to the planning board. I have seen him interact with people and he is a very mature and intelligent young man.

I see a bright future for Mason.

Dear Council Members,

This message comes to you in support of Mason Godsey's appointment to the Planning Board.

I have had the pleasure of watching Mason grow into the person who now stands before you as a nominee for an appointment to the Planning Board.

Throughout Mason's growth and development, he has remained consistent in his thoughtfulness and care of others, especially those in his immediate environment - including Howard County.

He has steadfastly sought avenues to increase his awareness and factual information to consider pros and cons of policies and measures impacting not only his own living space and experiences, but all of his community.

This is especially evident in his consideration of housing and resource availability, especially for underserved populations, in Howard County.

Mason is already someone many look to as a sounding board, or simply his take on a particular current event.

His recent experience with the Plan Howard Academy presented him with the opportunity to become more fully aware of processes, development and implementation of policies surrounding planning and zoning in Howard County. He continued to explore this information and its implications far outside of the time allotted during the course, and I know he will continue to do so as a member of the board.

I'm sure you have reviewed Mason's background and credentials and are very aware that he fully meets the qualifications for Planning Board appointments required by County Code.

Not only does Mason fulfill the requirements, he will arrive ready to collaborate and partner with members in making significant contributions to the Planning Board and for the residents of Howard County - young and old alike, with an open and diverse perspective.

Mason Godsey is a strong candidate for serving on the Planning Board. He will serve the county well. Please confirm his appointment and vote in favor of appointing Mason Godsey to the Howard County Planning Board under **resolution CR92-2023**.

Thank you,

Cheryl Godsey

To: Howard County Council

I am writing in support of Mason Godsey to be appointed to the Howard County Planning Board, Resolution CR92-2023.

Mason is a natural born leader that hails from Howard County. He is a graduate of Mount Hebron High School and Howard County Community College. He is also a graduate of University of Maryland, Baltimore County. This amazing education path has landed him a wonderful, fulfilling career as a Senior Technology Analyst.

Howard County has benefitted from Mason's leadership through his non-profit organization that was founded while he was a student in the public school system. This organization was created to improve social and cultural environments for all students and youth.

Lastly, he recently graduated from Plan Howard Academy and is more than qualified to serve on the County's Planning Board. As an engaged and socially conscious resident, he fully meets the qualifications for the appointment of the Planning Board as required by County Code. It is my professional opinion that he will bring diversity and unrepresented perspectives to the Planning Board. Again, I am in full support of the appointment of Mason Godsey to the Howard County Planning Board, Resolution CR92-2023.

Thank you,

Christy Lewis

Dear County Council Members,

I am writing to you in support of appointing Mason Godsey to the Planning Board. Mason is a lifelong resident of Howard County. He is a product of the 'live, work and play' model. He has obtained his primary education in our public school system as well as his post graduate education at Howard County Community College and UMBC. During his school career, he accomplished stellar academic achievements, participated in school activities and countywide sports programs, and is a member of Celebration Church of Columbia.

Mason is committed to improving social justice for the soft spoken and voiceless residents. He is a senior technology analyst for a government contractor and recently graduated from Plan Howard Academy.

Mason's knowledge of Howard County and his commitment to serve our county is in line with exactly why we want him on the Planning Board. As an engaged and interested resident, Mason fully meets the qualifications for the Planning Board. Please approve his nomination. Thank you.

Be Great!!!

Dear Howard County Planning Board Representative,

I write this letter of support for Mason Godsey's appointment to the Howard C. Planning Board, resolution CR92-2023. Mr. Godsey would may good use of his opportunity to represent the community! He is a product of Howard County, graduating from Mt. Hebron, HCC, and UMBC. He has shown his leadership skills, founding a non-profit organization to improve social and cultural environments through Howard Co. Public Schools, and now works as a technology analyst. I ask that Mr. Mason Godsey be appointed to the Planning Board in Howard County, as a person who will seek excellence for the county. Thank you in advance for your cooperation.
