Dear Planning Board,

In anticipation of his appointment for the Howard County Planning Board, I am writing to inform you about my friend, Mason Godsey. We have been through elementary, middle and high school together, and though we all change throughout the seasons, Mason's core character hasn't wavered. Mason has always been strong, loyal, empathetic and a man of integrity. These traits will translate toward the care of Howard County and its citizens. Not only is there anecdotal evidence to support Mason for the Planning Board, but he also meets the qualifications for Planning Board required by County code. Mason is a young leader in Howard County and a graduate of Mount Hebron High School, Howard Community College and the University of Maryland, Baltimore County. Professionally, Mason is a senior technology analyst for a government contractor. Mason co-founded a student-led, non-profit organization that worked with Howard County Public Schools to improve social and cultural environments. In addition, Mason recently graduated from Plan Howard Academy, and remains an interested and engaged resident. As a young person, Mason will bring diverse and underrepresented perspectives to the Planning Board. I support CR92-2023, and it would be in the best interest of Howard County to do so as well.

Sincerely,

Marcus

Respass, Charity

Hello Council Members Walsh, Rigby, Dr. Jones, Jung, and Yungmann,

Thank you for the opportunity to speak in front of you last month regarding my nomination to the Planning Board.

As a long-time resident of Howard County, I've had the opportunity to grow up, live and attend school in a great and changing community. I have volunteered in our community on many levels: engaging with students from elementary school thru college, the DREAM Team, interacting with the Howard County Government, political events, church events, and school board functions. Currently, I work as a Senior Technology Analyst for a government contractor. Additionally, I also have experience working in property management, which has been useful in helping me to learn, address, and enforce housing community guidelines for a wide range of residents.

As a DREAM Team co-founder and member, I collaborated with Dr. Martirano, and our school administration. I enjoyed our collaboration in planning assemblies, change curriculums, and create new policies to help ensure the needs of our diverse student body are consistently being addressed. These interactions with professionals gave me a strong foundation for collaboration and planning in future endeavors.

Also, my experiences with the people and businesses of this community will serve me well as I look to engage in more partnerships promoting affordable housing for all, with a special emphasis on our seniors and other underserved populations. My intention is to navigate this landscape and use rules, regulations, and policies in a professional capacity. My ability to use my unique background, along with my educational and professional skill set to advocate for my community members, make me an ideal candidate to serve on the Planning Board.

Recently, I completed the Spring 2023 Cohort of Plan Howard Academy. This course covered planning law to development review, and enforcement. The course truly empowers citizens of our community with the knowledge necessary to comprehend and make informed decisions regarding planning and zoning in our county. My anticipation and willingness to work in my community on the Planning Board will give me the opportunity to use this knowledge firsthand. I look forward to bringing diverse and innovative ways to serving my community in a professional capacity.

Thank you for your time and dedication to serving our community. I am excited to have the opportunity to serve the community in a new and impactful way on the Planning Board, and I hope to gain your support on my nomination.

Sincerely,

Mason Godsey

Good afternoon!

Mason is a young leader in Howard County and a graduate of Mt Hebron, HCC, and UMBC.

Professionally, Mason is a senior technology analyst for a government contractor.

In Howard County, Mason co-founded a student-led, non-profit organization that worked with Howard County Public Schools to improve social and cultural environments.

Mason recently graduated from Plan Howard Academy and is well-qualified to serve on the County's Planning Board. As an interested and engaged resident, he fully meets the qualifications for Planning Board appointments required by County Code. As a young person, he will bring diverse and unrepresented perspectives to the Planning Board.

To whom this may concern,

I am writing in support of Mason Godsey's appointment to the Howard County Planning Board. Mason is a young leader in Howard county who would be perfect for this board. In Howard County, Mason co-founded a student-led, non-profit organization that worked with Howard County Public Schools to improve social and cultural environments. Mason is also well-qualified for this position. He recently graduated from Plan Howard Academy and as a young person he can provide diverse and unrepresented perspectives.

I support Mason Godsey's appointment to the Howard County Planning Board

To Whom It May Concern,

I am writing to lend my support for the appointment of Mason Godsey for the Howard County Planning Board. Mr. Mason has a young mind with fresh ideas, and he has come up in Howard county and is a graduate of UMBC. In Howard County, Mason co-founded a student-led, non-profit organization that worked with Howard County Public Schools to improve social and cultural environments. Professionally, Mason is a senior technology analyst for a government contractor.

Our young professionals deserve opportunities like this to support a necessary board for the county. His appointment will be a growth opportunity for him, the county, and other young professionals that have interest in serving the population at large.

Cordially,

Reggie Marbray

I support the selection of Mason Godsey. Along with the attributes listed below, I've witnessed his growth from childhood to a young man. He is a conscientious and intelligent person that completes tasks set before him. I witnessed this as I was the vice-president of P.A.A.S.(Parents of African American Students) at Mt. Hebron where he was a student. He will be a great asset to the Howard County Planning Board.

- Mason is a young leader in Howard County and a graduate of Mt Hebron, HCC, and UMBC.
- Professionally, Mason is a senior technology analyst for a government contractor.
- In Howard County, Mason co-founded a student-led, non-profit organization that worked with Howard County Public Schools to improve social and cultural environments.
