Dear Council,

As a long term resident of Howard County, I fully support approval of CR92-2023.

- Mason is a young leader in Howard County and a graduate of Mt Hebron, HCC, and UMBC.
- Professionally, Mason is a senior technology analyst for a government contractor.
- In Howard County, Mason co-founded a student-led, non-profit organization that worked with Howard County Public Schools to improve social and cultural environments.
- Mason recently graduated from Plan Howard Academy and is well-qualified to serve on the County's Planning Board. As an interested and engaged resident, he fully meets the qualifications for Planning Board appointments required by County Code. As a young person, he will bring diverse and unrepresented perspectives to the Planning Board.

Importantly, we need to reach and engage future potential leaders in the county.

Dear whom it may concern,

I strongly recommend the appointment of Mason Godsey to the Howard County Planning Board. Mason is a young leader within Howard County who graduated from Mt. Hebron, Howard Community College (HCC), and University of Maryland Baltimore College (UMBC). I have known Mason for 10 years from our time together in an Early College Program at HCC. Ever since I have met Mason, he has always been challenging himself to be the best possible person he can be and to advocate for others.

I have been close to Mason from being in the same program at HCC to rooming with him at UMBC. I have seen him mature and grow into a man who always puts others first. In Howard County, Mason co-founded a student-led, non-profit organization that worked with Howard County Public Schools to improve social and cultural environments.

Mason is well-qualified, being a recent graduate from Plan Howard Academy, and as a young person, he will bring diverse and unprecedented perspectives to the Planning Board.

I ask you, please support CR92-2023!

Please let me know if you have any questions.

Dear Council Members,

This message comes to you in support of Mason Godsey's appointment to the Planning Board.

We both just completed the recent Plan Howard Academy. I was totally impressed with Mason's performance in the class. He consistently grasped the concepts and processes presented and asked very pertinent questions. In our application of process exercises, he showed clear understanding of what was presented, while others just scratched their heads. Mason will come to the board with a sound grasp of the board's responsibilities. He will make significant contributions to the board.

Mason is a strong candidate for serving on the Planning Board. He will serve the county well. Please confirm his appointment.
