Dear County Council Members,

I am writing to express my wholehearted support for Mason Godsey as a member of the Planning Board. As a long-time resident of our county and a friend of Mason's, I have had the privilege of witnessing his exceptional leadership skills, social competence, and maturity firsthand.

Growing up in our area has endowed Mason with a deep understanding of our community's unique needs and aspirations. He possesses the ability to bridge diverse perspectives and find common ground. His inclusive approach and diplomatic skills make him an ideal candidate for the Planning Board.

Moreover, Mason has achieved remarkable success in his career through hard work and dedication. Despite his young age, he displays an impressive level of maturity that sets him apart. As a young professional myself, I recognize the level of maturity required to navigate professional situations effectively, and he exemplifies this quality undoubtedly. His commitment to excellence and attention to detail will serve our county well.

I am confident that Mason will be a valuable asset to the Planning Board, contributing to responsible and sustainable development while preserving our community's character. I confidently endorse his candidacy and believe in his ability to make a positive impact on the future of Howard County.

Thank you for considering Mason Godsey for this position.

Sincerely,

Hadi Malik

Greetings,

My name is Hope Brewington and I would like to support Mason Godsey's appointment to the planning board. Reasons for his appointment are below.

- Mason is a young leader in Howard County and a graduate of Mt Hebron, HCC, and UMBC.
- Professionally, Mason is a senior technology analyst for a government contractor.
- In Howard County, Mason co-founded a student-led, non-profit organization that worked with Howard County Public Schools to improve social and cultural environments.
- Mason recently graduated from Plan Howard Academy and is well-qualified to serve on the County's Planning Board. As an interested and engaged resident, he fully meets the qualifications for Planning Board appointments required by County Code. As a young person, he will bring diverse and unrepresented perspectives to the Planning Board.

I highly recommend his appointment.

Best,  
Hope Brewington

I recently learned Mason Godney is a candidate for appointment to Howard county planning board. I am pleased to support his candidacy.

I have known Mason for over ten years. He is a well focused team player. Based on his technical background and leadership skill sets I strongly recommend his appointment, to the Howard county planning board.

I'm a retired State of Maryland planning official. I was the director of administration for the Maryland department of planning. In that position I hired and recruited planning staff. I find Mason to be an outstanding candidate which I would have recruited. He has my highest recommendation for a position he is being considered.

Please don't hesitate to reach out if you have any questions.

With best regards,

James Thomas, Director of administration, Maryland Department, planning (retired)
