Subject: Traffic Statement for Partial Permanent Road Closure of Riverwood Drive
Rivers Corporate Park
Section 1, Area 2, Plat Nos. 6018, 6020, & 20429

Dear Ms. Hackett,

No traffic exists on the portion of Riverwood Drive that COPT is proposing to close. This section of road will lead to a permanently closed gate for the 7175, 7200 and 7205 Riverwood Drive government campus (fully owned by Corporate Office Properties Trust). All traffic enters and exists these properties at the location where we propose to relocate the cul de sac.

Please contact me if you have any questions or require any additional information. Thank you!

Sincerely,

Lauren Taylor
Project Manager
