To whom it may concern:

I'm skeptical that people who own multiple residences need a tax break and am reluctant to see tax breaks given to folks who don't need them when our county could benefit from the funds to improve our schools, infrastructure, or affordable housing. I'd at least like to see some evidence that the people this bill impacts are in a low income bracket and have a low total net worth before it's passed.

Dear Howard County Council!

In reference to bill CB37-2023. I support the removal of the second home criteria imposed last year, penalizing second home owners.

Thanks!
