## **DN-13 Policy Statement**

Preserve affordability of existing housing stock and create opportunities for context-sensitive infill development, especially in Preservation-Revitalization Neighborhoods.

# **Implementing Actions**

- 1. Identify neighborhoods and properties for preservation.
- 2. Continue to support the County's housing preservation programs, which are designed to preserve existing affordable housing and assist low- and moderate-income homeowners and renters to remain in their homes.
- 3. Explore options and partnerships for acquisition/rehabilitation programs for older single-family homes that would support homeownership opportunities for moderate-income households.
- 4. Encourage the development of missing middle housing types that conform to existing neighborhood character and contribute to the creation of mixed-income communities.
- 5. Develop strategies for employing the right of first refusal policy to ensure no loss of affordable units when there are opportunities for redevelopment of multi-family properties.

# **DN-14 Policy Statement**

Support existing neighborhoods and improve community infrastructure and amenities as needed, especially in older or under-served neighborhoods and multi-family communities.

## **Implementing Actions**

- 1. Assess existing community facilities and the neighborhoods that they serve, and upgrade or retrofit as needed to support changing neighborhood needs. Engage communities in the identification of neighborhood needs.
- 2. Identify older communities in need of a comprehensive revitalization strategy and work with those communities to develop revitalization plans to assist those communities.
- 3. Work with the multi-family rental community to understand barriers to reporting and resolving issues related to multi-family property maintenance. Expand our landlord-tenant division and the enforcement component to support the maintenance and revitalization of multi-family communities.
