**Council Resolution No. 21-2024**

Introduced: February 5, 2024

Auditor: Diane Zagorski-Kelly

---

Fiscal Impact:

We do not anticipate any fiscal impact as a result of this legislation. It is a standard practice to add legislative sessions to the County Council calendar as needed.

Purpose:

Council Resolution 21-2024 proposes to add May 22, 2024, at 12:00 p.m., and July 29, 2024, at 10:00 a.m., as legislative session dates to the County Council calendar.

Other Comments:

The additional May date is to provide Council an extra session to review the Fiscal Year 2025 budget, and the additional July date is to provide Council an extra session to address outstanding items before the Council's August recess.
