2 In accordance with the provisions of Article VI of the Charter of Howard County (the  
3 “Charter”), Howard County, Maryland (the “County”) has included in its Capital Budget for fiscal  
4 year 2015 a capital project (Project No. G-0163) permitting the County to enter into installment  
5 purchase agreements to acquire development rights in agricultural lands located within the County,  
6 which Capital Budget was adopted by the County Council of Howard County (the “County  
7 Council”) in accordance with the Charter.

8 Section 612 of the Charter provides that “any contract, lease or other obligation requiring the  
9 payment of funds from appropriations of a later fiscal year shall be made or approved by ordinance”,  
10 and Section 616 of the Charter provides that evidences of indebtedness may be sold by private  
11 negotiated sale if the County Council shall find and determine that it is not practical to sell such  
12 evidences of indebtedness at public sale; and pursuant to (a) Article VI of the Charter, (b) Sections  
13 15.500 to 15.521, inclusive, of the Howard County Code and (c) Council Bill No. 31-2013, enacted  
14 on May 31, 2013 and effective on July 31, 2013 (the “Authorizing Act”), the County has been  
15 authorized and empowered to enter into such installment purchase agreements for an aggregate  
16 purchase price of not more than \$50,000,000, plus interest thereon.

17 The Authorizing Act provides that the County Council, by an ordinance or ordinances  
18 adopted from time to time in accordance with Section 612 of the Charter and other applicable  
19 provisions of law, shall approve and provide for (a) the acquisition of the development rights in each  
20 particular parcel of agricultural property which is to be the subject of an installment purchase  
21 agreement, (b) the form and content of each installment purchase agreement, including, without  
22 limitation, (i) the aggregate purchase price thereunder (or the maximum aggregate purchase price and  
23 the method of determining the final purchase price subject to such limitation) and the date of  
24 payments of installments of the purchase price (not exceeding twenty years from the date of  
25 execution and delivery of such installment purchase agreement), (ii) the interest rate or rates per  
26 annum (or the method of determining such rate or rates) payable on any such installment purchase  
27 agreement from time to time, and (iii) the required signatures on such documents.

1           The County has now determined to enter into an Installment Purchase Agreement with (a)

5           acres, more or less, of agricultural land located at 12570 Highland-Laurel Road, in Highland,  
6           Howard County, Maryland (the "Land") for an aggregate purchase price not in excess of \$1,971,200  
7           plus interest on the unpaid balance of such purchase price, as hereinafter provided. The actual  
8           amount of the purchase price shall be equal to the lesser of such maximum amount or not more than  
9           \$24,216 times the number of acres in such land, rounded to the next highest \$100, all upon the terms  
10          and conditions hereinafter set forth.

11          In accordance with the Last Will and Testament of Richard Lansdale Pue, this Ordinance  
12          and such Installment Purchase Agreement will provide that the purchase price and all interest  
13          payable on the unpaid balance of the purchase price shall be paid to The Maryland 4-H Foundation,  
14          Inc. and not to The Estate of Richard Lansdale Pue.

15          **Now, therefore:**

16          **Section 1. Be it enacted by the County Council of Howard County, Maryland,**

24                 defined) as hereinafter provided; provided that the actual amount of the Purchase Price shall be equal  
25                 to the lesser of such maximum amount not more than \$24,216 multiplied by the number of acres in  
26                 the Land, rounded to the next highest \$100.

5 thereof by the County, the Seller and the Foundation (the "Closing Date").

6 (c) A portion of the Purchase Price equal to 5% of the total Purchase Price shall be  
7 paid to the Foundation on the Closing Date. The balance of the Purchase Price (the "Deferred  
8 Purchase Price") shall be paid to the Foundation or its assignee in fifteen (15) equal annual  
9 installments beginning on February 15, 2015, and continuing on February 15 of each year thereafter

14 date of payment of the final installment of the Deferred Purchase Price at the interest rate of 2.1937%  
15 per annum. Interest shall be calculated on the basis of a 360-day year of twelve 30-day months.

2 Agreement are included in the Capital Budget as part of Project No. G-0163.

4 (e) The Purchase Price is within the legal limitation on the indebtedness of the  
5 County as set forth in Article VI of the Charter.

6 (f) The cost of acquiring the development rights in the Land is equal to the

For every registration of transfer of this Agreement, the County or the Registrar may make a charge sufficient to reimburse themselves for any tax or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such transfer as a condition precedent to the exercise of the privilege of registering such transfer.

**SECTION 3.3. Mutilated, Lost, Stolen or Destroyed Agreement.** In the event that this Agreement is mutilated, lost, stolen or destroyed, the County and the Registered Owner (as then shown on the registration books maintained by the Registrar) shall execute a substitute for this Agreement having the same terms as that of this Agreement mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Agreement, such mutilated Agreement shall first be surrendered to the Registrar, and, in the case of any lost, stolen or destroyed Agreement there shall be first furnished to the County and the Registrar evidence of such loss, theft or destruction satisfactory to the County and the Registrar, together with indemnity satisfactory to each of them in their sole discretion. The County and the Registrar may charge the Registered Owner requesting such new Agreement their expenses and reasonable fees, if any, in this connection. If after the delivery of such substitute Agreement, a bona fide purchaser of the original Agreement (in lieu of which such substitute Agreement was issued) presents for payment such original Agreement, the County and the Registrar shall be entitled to recover such substitute Agreement from the person to whom it was delivered or any other person who receives delivery thereof, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor or otherwise to the extent of any loss, damage, cost or expense incurred by the County and the Registrar in connection therewith.

SECTION 4.1. Representations and Warranties of the County. The County makes the following representations and warranties:

(a) The County is a body corporate and politic and a political subdivision of the State of Maryland.

By proper action, the County has duly authorized the execution and delivery of this Agreement.

(c) This Agreement has been duly and properly authorized, executed, sealed and delivered by the County, constitutes the valid and legally binding obligation of the County, and is enforceable against the County in accordance with its terms.

(d) There are no proceedings pending before any court or administrative agency which may affect the authority of the County to enter into this Agreement.

SECTION 4.2. Representations and Warranties of the Seller. The Seller makes the following representations and warranties with respect to itself, but not with respect to any Registered Owner:

(a) The Seller has full power and authority to execute and deliver this Agreement and the Deed of Easement, and to incur and perform the obligations provided for herein and therein. (b) This Agreement and the Deed of Easement have been duly and properly executed by the Seller, constitute valid and legally binding obligations of the Seller, and are fully enforceable against the Seller in accordance with their respective terms.

(c) There is no litigation or proceeding pending or, so far as the Seller knows, threatened before any court or administrative agency which, in the opinion of the Seller, will materially adversely affect the authority of the Seller to enter into, or the validity or enforceability of, this Agreement or the Deed of Easement.

(d) There is (i) no provision of any existing mortgage, indenture, contract or agreement binding on the Seller or affecting the Land, and (ii) to the knowledge of the Seller, no provision of law or order of court binding upon the Seller or affecting the Land, which would conflict with or in any way prevent the execution, delivery, or performance of the terms of this

Agreement or the Deed of Easement, or which would be in default or violated as a result of such execution, delivery or performance, or for which adequate consents, waivers or, if necessary, subordinations, have not been obtained.

(e) The Seller is the sole owner and lawfully seized of a fee simple estate in the Land and has the right to grant and convey the easement conveyed pursuant to the Deed of Easement. Further, there exist no liens, security interests or other encumbrances on or with respect to the Land (other than Permitted Encumbrances), and the Seller specially warrants and will defend the County's right, title and interest in and to the easement granted under the Deed of Easement.

(f) The Seller is not a nonresident alien of the United States of America for purposes of federal income taxation.

The representations in subsection (f) above are made under penalties of perjury and the information contained therein may be disclosed by the County to the Internal Revenue Service. The Seller acknowledges that any false statement in such subsection could be punished by fine, imprisonment or both.

SECTION 4.3. Representations and Warranties of the Foundation. The Foundation makes the following representations and warranties with respect to itself, but not with respect to any transferee Registered Owner:

(a) The Foundation has full power and authority to execute and deliver this Agreement, and to incur and perform the obligations provided for herein. (c) There is no litigation or proceeding pending or, so far as the Foundation knows, threatened before any court or administrative agency which, in the opinion of the Foundation, will materially adversely affect the authority of the Foundation to enter into, or the validity or enforceability of, this Agreement.

(d) There is (i) no provision of any existing mortgage, indenture, contract or agreement binding on the Foundation, and (ii) to the knowledge of the Foundation, no provision of law or order of court binding upon the Foundation, which would conflict with or in any way prevent the execution, delivery, or performance of the terms of this Agreement, or which would be in default or violated as a result of such execution, delivery or performance, or for which adequate consents, waivers or, if necessary, subordinations, have not been obtained.

(e) The Foundation is not a nonresident alien of the United States of America for purposes of federal income taxation.

The representations in subsection (e) above are made under penalties of perjury and the information contained therein may be disclosed by the County to the Internal Revenue Service. The Foundation acknowledges that any false statement in such subsection could be punished by fine, imprisonment or both.

ARTICLE V  
PROVISIONS RELATING TO EXCLUSION  
OF INTEREST FROM INCOME FOR FEDERAL INCOME TAXATION

SECTION 5.1. Intent of County and Tax Covenant of County. The County intends that the interest payable under this Agreement shall not be includible in the gross income of the Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code. Accordingly, the County shall not knowingly take or permit to be taken any other action or actions or omit or fail to take any action, which would cause this Agreement to be an “arbitrage bond” within the meaning of Section 148 of the Code, or which would otherwise cause interest payable under this Agreement to become includible in the gross income of any Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code.

SECTION 5.2. Acknowledgment of Foundation with Regard to Tax Consequences of Transaction. The Foundation has received an opinion from Miles & Stockbridge P.C. Bond Counsel, dated the Closing Date, to the effect that under existing laws, regulations, rulings and decisions, interest payable under this Agreement is not includible in the gross income of the Foundation for federal income tax purposes, which opinion assumes continuous compliance with certain covenants in the Tax Certificate and Compliance Agreement to be executed and delivered by the County on the Closing Date and is otherwise limited in accordance with its terms. The Foundation acknowledges that it has made their own independent investigation and has consulted with attorneys, accountants and others selected by the it in its sole discretion with respect to all other tax considerations related to the transaction contemplated hereby (including, but not limited to, installment sales treatment under Section 453 of the Code, charitable contribution deductions under Section 170 of the Code, and federal estate tax implications); and the Foundation certifies that it has not looked to or relied upon the County or any of its officials, agents or employees, or to Bond Counsel, with respect to any of such matters.

ARTICLE VI  
THE REGISTRAR

SECTION 6.1. Appointment of Registrar. Manufacturers and Traders Trust Company, a New York banking corporation, is hereby designated and appointed to act as Registrar for this Agreement.

SECTION 6.2. Ownership of Agreement. The Registrar, in its individual capacity or as trustee for holders of participation interests in this Agreement, may in good faith buy, sell, own and hold this Agreement, and may join in any action which any Registered Owner may be entitled to take with like effect as if it did not act as Registrar hereunder. The Registrar, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other

transaction with the County and may act as depository, trustee or agent for other obligations of the County as freely as if it did not act in any capacity hereunder.

SECTION 6.3. Removal of Registrar and Appointment of Successor Registrar. The County shall have the right, subject to the terms of any agreement with the Registrar, to remove the Registrar at any time by filing with the registrar to be removed, and with the Registered Owner, an instrument in writing. Notwithstanding the foregoing, such removal shall not be effective until a successor Registrar has assumed the Registrar's duties hereunder.

SECTION 6.4. Qualifications of Successor Registrar. Any successor Registrar shall be either (a) the Department of Finance of the County, (b) an officer or employee of the County, or (c) a bank, trust company or other financial institution duly organized under the laws of the United States or any state or territory thereof which is authorized by law and permitted under the laws of the State to perform all the duties imposed upon it as Registrar by this Agreement.

SECTION 6.5. Successor by Merger or Consolidation. If the Registrar is a bank, trust company or other financial institution, any institution or corporation into which the Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Registrar hereunder shall be a party or any institution or corporation succeeding to the corporate trust business (if any) of the Registrar, shall be the successor Registrar under this agreement, without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Agreement to the contrary notwithstanding.

## ARTICLE VII MISCELLANEOUS

SECTION 7.1. Successors of County. In the event of the dissolution of the County, all the covenants, stipulations, promises and agreements in this Agreement contained, by or on behalf of, or for the benefit of, the County, the Seller, the Foundation, any other Registered Owner and the Registrar, shall bind or inure to the benefit of the successors of the County from time to time and any entity, officer, board, commission, agency or instrumentality to whom or to which any power or duty of the County shall be transferred.

SECTION 7.2. Parties in Interest. Except as herein otherwise specifically provided, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person, firm or corporation, other than the County, the Seller, the Foundation, any other Registered Owner and the Registrar, any right, remedy or claim under or by reason of this Agreement, this Agreement being intended to be for the sole and exclusive benefit of the County, the Seller, the Foundation, any other Registered Owner from time to time of this Agreement and the Registrar.

SECTION 7.3. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their successors and assigns, including, without limitation, all Registered Owners from time to time of this Agreement.

SECTION 7.4. Severability. In case any one or more of the provisions of this Agreement shall, for any reason, be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Agreement and this Agreement shall be construed and enforced as if such illegal or invalid provisions had not been contained herein or therein.

SECTION 7.5. Prior Agreements Cancelled; No Merger. This Agreement and the Deed of Easement shall completely and fully supersede all other prior agreements, both written and oral, between the County and the Seller and the Foundation relating to the acquisition of and payment for the Development Rights. Neither the County, the Seller nor the Foundation shall hereafter have any rights under such prior agreements but shall look solely to this Agreement and the Deed of Easement for definitions and determination of all of their respective rights, liabilities and responsibilities relating to the Land, the Development Rights and the payment for the Development Rights. In addition, this Agreement shall survive the execution and recording of the Deed of Easement in all respects and shall not be merged therein.

SECTION 7.6. Amendments, Changes and Modifications. This Agreement may not be amended, changed, modified, altered or terminated except by an agreement in writing between the County and the then-Registered Owner. An executed counterpart of any such amendment shall be attached to this Agreement and shall be binding upon such Registered Owner and all successor Registered Owners.

SECTION 7.7. No Personal Liability of County Officials. No covenant or agreement contained in this Agreement shall be deemed to be the covenant or agreement of any official, officer, agent or employee of the County in his or her individual capacity, and neither the officers or employees of the County nor any official executing this Agreement shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the issuance thereof.

SECTION 7.8. Governing Law. The laws of the State shall govern the construction and enforcement of this Agreement.

SECTION 7.9. Notices. Except as otherwise provided in this Agreement, all notices, demands, requests, consents, approvals, certificates or other communications required under this Agreement to be in writing shall be sufficiently given and shall be deemed to have been properly given three Business Days after the same is mailed by certified mail, postage prepaid, return receipt requested, addressed to the person to whom any such notice, demand, request, approval, certificate or other communication is to be given, at the address for such person designated below:
