11 **Now, therefore, be it enacted by the County Council of Howard County,**
12 **Maryland:**

13 **Section 1.** All terms used herein which are defined in the Recitals hereof shall
14 have the meanings given such terms therein.

15 **Section 2.** It is hereby found, determined and declared as follows:

16 (1) It is in the best interest of the County to issue the Consolidated Public
17 Improvement Bonds pursuant to and in accordance with the Consolidated Public
18 Improvement Bond Enabling Laws and the Master Bond Ordinance in the aggregate
19 principal amount of \$150,000,000 or such lesser principal amount as may be specified in
20 an Executive Order in accordance with Section 14 hereof, for the purpose of (a) paying the
21 principal amount of the Notes (the “Refunded Notes”) and expenses required to be paid
22 pursuant to a line of credit secured by such Notes (together with the Refunded Notes, the
23 “Refunded Obligations”), the proceeds of which have been or will be used, after payment

1 of certain costs, fees and expenses incurred in the issuance thereof, to pay or refinance a
2 portion of the costs of capital projects authorized by the Consolidated Public Improvement
3 Bond Enabling Laws, as specified in Appendix A hereto (the “Public Improvement Capital
4 Projects”), (b) defraying a portion of the costs of Public Improvement Capital Projects not
5 funded with proceeds of the Notes (the “Other Public Improvement Capital Projects”), and
6 (c) paying the costs, fees and expenses incurred in the issuance and sale of the Consolidated
7 Public Improvement Bonds, in each case to the extent that such costs are not payable from
8 other sources, as specified in an Executive Order in accordance with Section 14 hereof.

9 (2) It is in the best interest of the County to issue the Metropolitan District
10 Bonds pursuant to and in accordance with the Metropolitan District Bond Enabling Law
11 and the Master Bond Ordinance in the aggregate principal amount of \$50,000,000, or such
12 lesser principal amount as may be specified in an Executive Order in accordance with
13 Section 14 hereof, for the purpose of (a) paying the Refunded Obligations, the proceeds of
14 which have been or will be used, after the payment of certain costs, fees and expenses
15 incurred in the issuance thereof, to pay or refinance a portion of the costs of capital projects
16 authorized by the Metropolitan District Bond Enabling Law, as specified in Appendix A
17 hereto (the “Metropolitan District Capital Projects”), (b) defraying a portion of the costs of
18 Metropolitan District Capital Projects not funded with the proceeds of the Notes (the
19 “Other Metropolitan District Capital Projects”), and (c) paying the costs, fees and expenses
20 incurred in the issuance and sale of the Metropolitan District Bonds, in each case to the
21 extent such costs are not payable from other sources, as specified in an Executive Order in
22 accordance with Section 14 hereof.

1 (3) The outstanding general obligation indebtedness of the County on June 30,
2 2024 (exclusive of indebtedness issued or guaranteed by the County that is payable
3 primarily or exclusively from taxes levied in or on, or other revenues of, special taxing
4 areas or districts heretofore established by law and indebtedness issued for self- liquidating
5 and other projects payable primarily or exclusively from the proceeds of the assessments
6 or charges for special benefits or services), plus the \$150,000,000 aggregate principal
7 amount of Consolidated Public Improvement Bonds authorized hereby is equal to
8 \$1,340,300,000. The full cash value assessable base of the County on June 30, 2024 was
9 \$64,022,716,197. As of the date of enactment of this Ordinance, the issuance of the
10 aggregate principal amount of Consolidated Public Improvement Bonds authorized by this
11 Ordinance is within every debt and other limitation prescribed by the Constitution and
12 Laws of the State of Maryland and the Charter.

13 (4) Current market conditions are volatile and an inflexible approach to
14 borrowing by the County threatens its ability to initiate necessary capital projects and will
15 diminish the resources available to provide for the needs of the citizens of the County in
16 the future, and the interests of the County are best served by providing the County with
17 reasonable flexibility in accessing the capital markets. Accordingly, any sale of
18 Consolidated Public Improvement Bonds and Metropolitan District Bonds (collectively,
19 “Bonds”) pursuant to this Ordinance by private negotiation will provide significant benefits
20 to the County which would not be achieved if such Bonds were sold at public sale and is
21 in the County’s best interest.

22 (5) The probable remaining average useful life of (a) the Public Improvement
23 Capital Projects financed and refinanced with proceeds of the Refunded Obligations and

1 to be refinanced with the proceeds of the Consolidated Public Improvement Bonds and (b)
2 the Other Public Improvement Capital Projects (if any) is more than 25 years, and all of
3 the Consolidated Public Improvement Bonds shall be payable within such probable average
4 useful life.

5 (6) The probable remaining average useful life of (a) the Metropolitan District
6 Capital Projects financed and refinanced with proceeds of the Refunded Obligations and
7 to be refinanced with the proceeds of the Metropolitan District Bonds and (b) the Other
8 Metropolitan District Capital Projects (if any) is more than 35 years, and all of the
9 Metropolitan District Bonds shall be payable within 30 years of the date of their issuance.

10 **Section 3.** The Bond Enabling Laws authorize the County to borrow money to
11 pay the costs of certain capital projects specified in the County's Fiscal Year 2024 Capital
12 Budget and in Appendix A attached hereto.

13 **Section 4.** (a) Pursuant to the authority contained in the Consolidated Public
14 Improvement Bond Enabling Laws, and in accordance with the Master Bond Ordinance,
15 the County shall borrow money upon the full faith and credit of the County and shall issue
16 and sell Consolidated Public Improvement Bonds upon the full faith and credit of the
17 County from time to time in the aggregate principal amount of \$150,000,000 or such lesser

19 hereof.

20 (b) The Consolidated Public Improvement Bonds shall be dated the date of their
21 delivery.

1 (c) The Consolidated Public Improvement Bonds may be issued in one or a
2 combination of serial bonds, installment bonds, or term bonds as may be specified in an
3 Executive Order in accordance with Section 14 hereof.

4 (d) The maturity dates of the Consolidated Public Improvement Bonds shall be

14 Bonds shall be paid to the Director of Finance of the County (the "Director of Finance")
15 and shall be set apart in an account or accounts and applied as follows:

16 (i) All or a portion of the proceeds of the Consolidated Public
17 Improvement Bonds, as specified in an Executive Order, shall be applied first to the
18 payment of all or a portion of the principal of the Refunded Obligations. The actual cost
19 of each Public Improvement Capital Project, which has been financed or refinanced from
20 the proceeds of the sale of the Notes, is set forth in Appendix A hereto in the column
21 captioned "Bond Anticipation Note Funded," which amount may be updated from time to
22 time to account for any Public Improvement Capital Project subsequently financed or
23 refinanced from the proceeds of the sale of the Notes.

1 (ii) The remaining proceeds of the Consolidated Public Improvement
2 Bonds, if any, shall be applied (A) to the payment of costs, fees and expenses incurred in
3 the issuance and sale of the Consolidated Public Improvement Bonds, to the extent such

14 Notwithstanding the foregoing, the Director of Finance is hereby authorized to
15 reallocate the proceeds of the Consolidated Public Improvement Bonds to the payment of
16 any other costs of Other Public Improvement Capital Projects which could have been
17 financed with the proceeds of the Notes or Consolidated Public Improvement Bonds in
18 accordance with the Bond Enabling Laws and this Ordinance, respectively, in the event
19 that it is determined after the enactment of this Ordinance and the initial application of the
20 proceeds of the Consolidated Public Improvement Bonds that any of the amounts financed

22 been funded with proceeds thereof, whether as a result of the receipt of a grant for such
23 purpose or for any other reason. Any such reallocation shall be made to any one or more

7 excise taxes, school facilities surcharges, watershed protection fees, broadband user fees
8 and revenues from Howard Community College fees to the extent provided in the
9 Consolidated Public Improvement Bond Enabling Laws), to pay such principal and interest
10 and the full faith and credit and the unlimited taxing power of the County are hereby

3 sale of the Metropolitan District Bonds, to the extent such costs, fees and expenses are not
4 paid from other sources, and (B) to defray a portion of the costs of Other Metropolitan
5 District Capital Projects. The actual costs of the Other Metropolitan District Capital
6 Projects to be defrayed from the proceeds of the Metropolitan District Bonds, if any, shall
7 be determined by the Director of Finance, provided that the amount so applied shall not
8 exceed the difference between the amount set forth in Appendix A in the column captioned
9 “Unsold Bonds” for the Metropolitan District Capital Projects and the amount of proceeds
10 of the Notes applied to finance the costs of the Other Metropolitan District Capital Projects.

11 No proceeds of the Metropolitan District Bonds will be applied in any way which
12 would violate the covenants contained in Section 16 hereof.

13 Notwithstanding the foregoing, the Director of Finance is hereby authorized to
14 reallocate the proceeds of the Metropolitan District Bonds to the payment of any other costs
15 of Other Metropolitan District Capital Projects which could have been financed with the

19 District Bonds that any of the amounts financed with proceeds of the Notes or Metropolitan
20 District Bonds should not have been funded with proceeds thereof, whether as a result of
21 the receipt of a grant for such purpose or for any other reason. Any such reallocation shall

2 below par, plus accrued interest to the date of delivery. Authority is hereby conferred on
3 the County Executive to sell the Bonds through a public sale or through a private
4 (negotiated) sale, without solicitation of competitive bids, as the County Executive, upon
5 consultation with the Director of Finance and the County's financial advisor, shall
6 determine to be in the best interests of the County.

7 If the County Executive shall determine in accordance with this Section to sell any
8 Bonds at a public sale through the solicitation of competitive bids, then the County
9 Executive may sell such Bonds in accordance with such procedures as shall be determined
10 by the County Executive.

11 Bonds issued under this Ordinance are hereby specifically exempted from the
12 provisions of Sections 19-205 and 19-206 of the Local Government Article of the
13 Annotated Code of Maryland (2013 Replacement Volume and 2023 Supplement).

14 The County Executive is hereby authorized and empowered for and on behalf of
15 the County (a) to cause the preparation, printing, execution and delivery of a preliminary
16 and final official statement or other offering document with respect to any Bonds issued
17 from time to time hereunder, and (b) to do all such things as may be necessary or desirable
18 in the opinion of the County Executive in connection therewith.

19 **Section 14.** Notwithstanding any provisions of the Bond Enabling Laws to the
20 contrary, subject to and in accordance with the provisions of this Ordinance, the County
21 Executive shall determine by Executive Order, for each and every Bond or series of Bonds
22 issued pursuant to and in accordance with this Ordinance, all matters relating to the sale,
23 issuance, delivery and payment of the Bonds, including (without limitation) the purposes

1 for which such Bonds are issued, the date or dates of sale of the Bonds, the designation of
2 the Bonds, the date of delivery of the Bonds, the authorized denominations for the Bonds,
3 the redemption provisions, if any, pertaining to the Bonds, the manner of authentication
4 and numbering of the Bonds, the date from which interest on the Bonds shall accrue, the
5 rate or rates of interest borne by the Bonds or the method of determining the same, the
6 interest payment and maturity dates of the Bonds, including provisions for mandatory
7 sinking fund redemption of any term bonds, the forms of the Bonds, whether the Bonds are
8 to be issued in book-entry form and all matters incident to the issuance of Bonds in book-
9 entry form and the provisions for the registration of Bonds. The execution and delivery of
10 Bonds as herein provided shall be conclusive evidence of the approval of all terms and
11 provisions of such Bonds on behalf of the County.

12 **Section 15.** In connection with the issuance of any Bonds pursuant to this
13 Ordinance, the County is hereby authorized to enter into one or more agreements as the
14 County Executive shall deem necessary or appropriate for the issuance, sale, delivery or
15 security of such Bonds, which may include (without limitation) (i) underwriting, purchase
16 or placement agreements for Bonds sold at private (negotiated) sale in accordance with the
17 provisions of this Ordinance; (ii) trust agreements with commercial banks or trust
18 companies providing for the issuance and security of such Bonds; (iii) any dealer,
19 remarketing or similar agreements providing for the placement or remarketing of such
20 Bonds; (iv) agreements providing for any credit or liquidity facilities supporting any
21 Bonds; (v) agreements with commercial banks or trust companies providing for the deposit
22 of proceeds of any Bonds; (vi) agreements with fiscal agents providing for the issuance of
23 Bonds, their authentication, registration or payment or other similar services; (vii)

1 continuing disclosure agreements, including any such agreements required to enable the
2 underwriters of any Bonds to meet the requirements of paragraph (b)(5) of Rule 15c2-12
3 promulgated by the United States Securities and Exchange Commission (the "SEC"); (viii)
4 agreements with a data collection and disclosure institution to enable the County to
5 research and post accurate disclosures related to any Bonds in accordance with the rules
6 and regulations approved by the SEC; and (ix) agreements with dissemination agents to
7 collect and post continuing disclosure information and event notices to meet certain
8 requirements of the SEC. Each such agreement shall be in such form as shall be determined
9 by the County Executive by Executive Order. The execution and delivery of each such
10 agreement by the County Executive shall be conclusive evidence of the approval of the
11 form of such agreement on behalf of the County.

12 **Section 16.** The County hereby covenants with each of the holders of any Bonds,
13 the interest on which is expected to be excludable from federal income taxation (such
14 Bonds being referred to herein collectively as "Tax-Exempt Obligations"), that it will not
15 use, or suffer or permit to be used, the proceeds received from sale of such Tax-Exempt
16 Obligations, or any moneys on deposit to the credit of any account of the County which
17 may be deemed to be proceeds of such Tax-Exempt Obligations, pursuant to Section 148
18 ("Section 148") of the Internal Revenue Code of 1986, as amended (the "Code"), and
19 applicable regulations thereunder, which use would cause such Tax-Exempt Obligations to
20 be "arbitrage bonds" within the meaning of Section 148 and the regulations thereunder.
21 The County further covenants that it will comply with Section 148 and the regulations
22 thereunder which are applicable to Tax-Exempt Obligations on the date of issuance of such
23 Tax-Exempt Obligations and which may subsequently lawfully be made applicable to such

1 Tax-Exempt Obligations. The County Executive, the County Administrative Officer and
2 the Director of Finance shall be officers of the County responsible for issuing any Tax-
3 Exempt Obligations. The County Executive or the Director of Finance is hereby authorized
4 and directed to prepare or cause to be prepared and to execute, any certification, opinion
5 or other document which may be required to assure that such Tax-Exempt Obligations will
6 not be deemed to be “arbitrage bonds” within the meaning of Section 148 and the
7 regulations thereunder.

8 The County is hereby authorized to take any and all actions as may be necessary or
9 desirable to assure that interest on Tax-Exempt Bonds is and remains excludable from gross
10 income for federal income tax purposes.

11 The County is hereby authorized to take any and all actions as may be necessary or
12 desirable to assure that any Bonds authorized by this Ordinance are allowed a tax credit,
13 that the County is entitled to a subsidy from the United States of America or any agency or
14 instrumentality thereof with respect to such Bonds or the interest payable thereon, or that
15 any such Bond or the interest thereon is entitled to any other available benefits under the
16 Code (any such Bonds being referred to herein as “Tax Advantaged Obligations”). Any
17 such actions may be authorized by an order of the County Executive.

18 The County Executive is hereby authorized to make such covenants or agreements
19 in connection with the issuance of any Tax-Exempt Obligations or Tax Advantaged
20 Obligations as he shall deem advisable in order to assure (i) the holders of any such Tax-
21 Exempt Obligations that interest thereon shall be and remain exempt from federal income
22 taxation, (ii) the holders of any such Tax Advantaged Obligations that such Tax
23 Advantaged Obligations will be entitled to such benefits, and (iii) that the County is entitled

1 to any subsidy available for any such Tax Advantaged Obligations. Such covenants or
2 agreements shall be binding on the County so long as the observance by the County of any
3 such covenants or agreements is necessary in connection with the maintenance of the
4 exemption from federal income taxation of the interest on such Tax-Exempt Obligations
5 or the entitlement of such Tax Advantaged Obligations to such benefits, respectively. The
6 foregoing covenants and agreements may include (without limitation) covenants or
7 agreements on behalf of the County relating to the investment of proceeds of such Tax-
8 Exempt Obligations or Tax Advantaged Obligations, the rebate of certain earnings
9 resulting from such investment to the United States of America (or the payment of penalties
10 in lieu of such rebate), limitations on the times within which, and the purposes for which,
11 such proceeds may be expended or the utilization of specified procedures for accounting
12 for and segregating such proceeds. Any covenant or agreement made by the County
13 Executive pursuant to this paragraph in an order or certificate executed by the County
14 Executive shall be binding upon the County.

15 In furtherance of the foregoing, in order to qualify for and maintain the tax-exempt
16 status of any Tax-Exempt Obligations or the benefits inuring with respect to any Tax
17 Advantaged Obligation, the County Executive shall be authorized to make any elections or
18 designations permitted or required under the Code, to apply for an allocation from the State
19 of Maryland or the federal government in the case of Bonds or Notes subject to any volume
20 limitation and to apply for any tax credit, to take such actions as shall be necessary to permit
21 any tax credit to be stripped and sold separately from the ownership interest in any Tax
22 Advantaged Bond and to claim any cash subsidy with respect to any Tax Advantaged

1 Obligation. It is confirmed that the County Executive is authorized to declare official intent
2 to reimburse expenditures from proceeds of Tax Advantaged Obligations.

3 For purposes of establishing compliance with Section 148 of the Code regarding
4 the expenditure of proceeds of Tax-Exempt Obligations or Tax Advantaged Obligations,
5 the source of Capital Projects Fund monies for capital expenditures may be specifically
6 attributed to funds deposited to the Capital Projects Fund as a reimbursement from the
7 proceeds of County debt issuances in accordance with a certificate executed by the County
8 Executive.

9 It is confirmed that bond premium, consisting of net bond proceeds from the sale
10 of bonds sold at a price above par, may be allocated for expenditure purposes permitted
11 under provisions of federal income tax law pertaining to excludability of interest on the
12 bonds from gross income or the tax status of Tax Advantaged Obligations, as applicable.

13 **Section 17.** In accordance with the provisions of Section 402(a) of the Charter,
14 the County Executive is hereby authorized to delegate to the Chief Administrative Officer
15 the power and authority to take any and all actions required or permitted to be taken by the
16 County Executive pursuant to this Ordinance.

17 **Section 18.** (a) This Ordinance shall be supplemental to the Master Bond
18 Ordinance and shall be a "Supplemental Ordinance" as defined therein; provided, however,
19 that to the extent that any of the terms and provisions of this Ordinance conflict with the
20 terms and provisions of the Master Bond Ordinance, the terms and provisions of this
21 Ordinance shall control.

1 (b) It is hereby found and determined that the modification and
2 supplementation of the Master Bond Ordinance, as provided herein, is in the best interest
3 of the County and is not adverse to the interests of the holders of the Notes.

4 (c) Except as hereby or heretofore supplemented, the Master Bond Ordinance
5 shall remain in full force and effect; and the Master Bond Ordinance, as so modified and
6 supplemented, is ratified and confirmed.

7 (d) On and after the date of enactment hereof, all references to “Bond
8 Ordinance” in the Note Ordinance or the Master Bond Ordinance shall mean the Master
9 Bond Ordinance as supplemented hereby.

10 **Section 19.** If any one or more of the provisions of this Ordinance, including any
11 covenants or agreements provided herein on the part of the County to be performed, should
12 be contrary to law, then such provision or provisions shall be null and void and shall in no
13 way affect the validity of the other provisions of this Ordinance or of the Bonds.

14 **Section 20.** This Ordinance shall take effect on the date of its enactment.

SUBJECT – Testimony for Ordinance Authorizing Bond Sale

August 8, 2024

To: Brandee Ganz
Chief Administrative Officer

From: Rafiu O. Ighile 
Director of Finance

The proposed legislation will authorize the County to sell bonds to finance certain capital projects as well as use the sale proceeds to retire outstanding short-term debt (Bond Anticipation Notes). Council Bill 28-2024, Council Bill 29-2024, Council Bill 30-2024, Council Bill 31-2024, , Council Bill 32-2024, Council Bill 33-2024, and Council Bill 34-2024 authorized the issuance of bonds for the projects included in this legislation as part of the FY 2025 Capital Budget.

The bonds are expected to be sold in March 2025. As has been done in the past, the specific terms of the sale will be specified by Executive Order based upon market conditions at the time of the sale. The sale is expected to include up to \$150,000,000 for Consolidated Public Improvement (general county), and up to \$50,000,000 for Metropolitan District (water and sewer) bonds.

Fiscal Impact

The Department does not anticipate any fiscal impact in the current year as debt service begins the year following issuance. The fiscal impact in future years will depend on actual amount of bonds issued and interest rates.
