6 premium, if any, thereon from the proceeds of the bonds in anticipation of the sale of which such notes are  
7 issued and other available funds, and the County will agree to issue such bonds when, and as soon as, the  
8 reason for deferring their issuance no longer exists.

9 **Section 3. And be it further enacted by the County Council of Howard County, Maryland,**

10 That, in connection with the acquisition of real property as part of the Project, if any, the County may incur  
11 all or any portion of the indebtedness authorized by this Act for such acquisition by entering into an  
12 installment purchase agreement pursuant to and in accordance with Section 4.201A of the Howard County  
13 Code (“Section 4.201A”) or any successor provisions of law in lieu of issuing bonds for such acquisition.  
14 The principal amount of any such installment purchase agreement shall not exceed the lesser of (a) the  
15 maximum principal amount permitted by Section 4.201A or (b) the portion of the amount to be borrowed  
16 for the Project (as set forth in Section 1 hereof) which relates to such acquisition. All references to “bonds”  
17 or “obligations” in this Act shall include such installment purchase agreements, unless the context clearly  
18 requires a contrary meaning.

19 **Section 4. And be it further enacted by the County Council of Howard County, Maryland,**

20 That the County Council of the County, by an ordinance or ordinances adopted from time to time in  
21 accordance with Article VI of the Charter and other applicable provisions of law and policies of the County,  
22 shall provide for (a) the issuance and sale of, (b) the maximum principal amount, designation, form, tenor  
23 and denomination or denominations of, (c) the dates of the first maturity and the last maturity (not more  
24 than 30 years after the date of issue) of, and (d) the interest rate or rates per annum (or the method of  
25 determining such rate or rates) payable on, any bonds or other obligations issued from time to time under

1 this Act; and may by any such ordinance, or by separate resolution, provide that the issue of bonds or other  
2 obligations hereby authorized be consolidated with one or more other issues.

3 **Section 5. And be it further enacted by the County Council of Howard County, Maryland,**

4 That for the purpose of paying the principal of and interest on such bonds or other obligations as the same  
5 shall become payable, the County Council shall levy annually ad valorem taxes upon the assessable  
6 property in the County sufficient, together with other available funds, to pay the principal of and interest  
7 on such bonds or other obligations until all of such bonds or other obligations shall mature and be redeemed.  
8 The full faith and credit and unlimited taxing power of the County are hereby irrevocably pledged to the  
9 payment of the principal of and interest on such bonds or other obligations.

10 **Section 6. And be it further enacted by the County Council of Howard County, Maryland,**

11 That any bonds or other obligations issued from time to time under this Act are specifically exempt from  
12 the provisions of Sections 19-205 and 19-206 of the Local Government Article of the Annotated Code of  
13 Maryland, as amended, and any successor provision of law.

14 **Section 7. And be it further enacted by the County Council of Howard County, Maryland,**

15 That all bonds or other obligations authorized hereby shall be issued within four years from the date this  
16 Act becomes effective. Notwithstanding the foregoing, if bond anticipation notes are issued within such  
17 period in accordance with Section 2 hereof, the bonds authorized hereby may be issued until the final  
18 maturity date of such notes.

19 **Section 8. And be it further enacted by the County Council of Howard County, Maryland,**

20 That the County anticipates that a portion of the costs of the Project may be paid prior to the issuance of  
21 the bonds or other obligations authorized hereby. The amount of such costs so paid will depend on various  
22 factors, including, without limitation, the timing and speed of progress on the Project, the availability of  
23 other funds to pay such costs on an interim basis, bond and money market conditions and compliance with  
24 federal and State laws and regulations.

1           Accordingly, the County reasonably expects to reimburse costs of the Project (as described herein)  
2   with proceeds of the bonds or other obligations authorized hereby, such bonds or other obligations to be  
3   issued by the County in the maximum principal amount of \$2,500,000.

4           **Section 10. And be it further enacted by the County Council of Howard County, Maryland,**

5   That this Act shall take effect sixty-one (61) days after its enactment.
