14 (a) *Authority to Grant.*

15 (1) So that substantial justice may be done and the public interest secured, the Department  
16 of Planning and Zoning may grant waivers of the requirements of this subtitle, except  
17 as prohibited in subsection (d), in situations where the Department finds that  
18 unreasonable hardship or practical difficulties may result from strict compliance with  
19 this subtitle and for requests to waive or alter the requirements in article II and article  
20 III of this subtitle all of the following criteria are met:

- 21 (i) Strict conformance with the requirements will deprive the applicant of rights  
22 commonly enjoyed by others in similar areas;
- 23 (ii) The uniqueness of the property or topographical conditions would result in  
24 practical difficulty, other than economic, or unreasonable hardship from strict  
25 adherence to the regulations;
- 26 (iii) The variance will not confer on the applicant a special privilege that would be  
27 denied to other applicants; and
- 28 (iv) The modification is not detrimental to the public health, safety or welfare or  
29 injurious to other properties.

- 1 (2) Waivers may be granted without meeting the criteria of subsection (a) if the waiver:
- 2 (i) Is necessary for the reconstruction of existing structures or infrastructure damaged
- 3 by flood, fire, or other disaster;
- 4 (ii) Is necessary for the construction of a stormwater management or flood control
- 5 facility as part of a capital project; or

- 7 intended solely to improve stormwater management or flood control for existing

- 13 within 45 days of the Department's letter of request. If the information is not submitted
- 14 by the deadline, the Department shall deny the petition.
- 15 (2) The waiver shall not have the effect of nullifying the intent and purpose of this subtitle.
- 16 (3) Within 30 days of the date of the Department's decision letter regarding a waiver
- 17 petition, the developer may submit additional information to support a request for the
- 18 Department to:
- 19 (i) Modify any approval conditions;
- 20 (ii) Reverse the Department's denial; or
- 21 (iii) Add or delete specific waiver requests.
- 22 (4) After 30 days, requests for reconsideration will require a new petition for a waiver and
- 23 payment of fees in accordance with the adopted fee schedule.
- 24 (5) Any waiver to the minimum requirements of this subtitle in regard to a particular
- 25 subdivision or development shall be appropriately noted on the final plat or site plan.
- 26 (c) *Period of Validity.* The waiver petition, if approved, will remain valid for 12 months from
- 27 the date of approval or as long as a subdivision or site development plan is being actively

- 8 (1) Is necessary for the reconstruction of existing structures or infrastructure damaged by  
9 flood, fire, or other disaster;
- 10 (2) Is necessary for the construction of a stormwater management or flood control facility  
11 as part of a redevelopment project;
- 12 (3) Is necessary for the retrofit of existing facilities or installation of new facilities  
13 intended solely to improve stormwater management or flood control for existing
