Council Bill No. 29-2025

Introduced: April 7, 2025

Auditor: Maya Cameron

Fiscal Impact:

This legislation has no fiscal impact to the County. Any fees if applicable for a waiver or petition for a waiver would vary in frequency. Therefore, we are unable to estimate the totals that would be collected as a result of removing the option to request a waiver of specific regulations in the Tiber Branch Watershed.

Purpose:

This legislation repeals a waiver exception for development proposals in the Tiber Branch Watershed and related general subdivision and land development regulations waivers.

Other Comments:
