NOTE:

\* THE PAY PLAN WILL BE IMPLEMENTED AT THE BEGINNING OF THE PAY PERIOD IN WHICH JANUARY 1, 20252026, FALLS.

#### Implementing the Pay Plan.

- (a) Rates are Hourly Rates. All rates of pay contained in the Pay Plan are expressed as hourly rates.
- (b) Fair Labor Standards Act (The "FLSA").
  - (1) Except as otherwise provided in the Pay Plan, full-time employees exempt from coverage of the federal FLSA receive an annual salary, which shall be calculated by multiplying the employee's hourly rate by the number of hours the employee is regularly scheduled to work per year, which are either the standard work hours for County employees or a schedule approved by the Personnel Officer under section 1.113(a)(1) of the County Code.
  - (2) In accordance with requirements of the FLSA, while the rates of pay in this Pay Plan, which are established by ordinance, may be expressed as hourly rates, employees in positions which have been determined to be exempt under the FLSA are paid on a salary basis, meaning a predetermined amount that does not vary from pay period to pay period, is not adjusted for quality or quantity of work, and meets the minimum salary level requirements under FLSA.
- (c) Adjustments to Salary Schedule. In order to maintain the effectiveness of the Pay Plan, the County annually shall review the general labor market, and, subject to the availability of appropriated funds, may propose an adjustment to the Salary Schedule.
- (d) Management Employees of the Department of Fire and Rescue Services.
  - (1) For purposes of determining the appropriate step within the *Fire Management (FM) schedule* upon appointment of an employee to the position of Fire Captain, Battalion Chief, or Assistant Chief, the Personnel Officer shall utilize the employee's length of creditable service.
  - (2) Length of creditable service, in months, for purposes of paragraph (1) of this section shall be applied in accordance with the following schedule:

		r			·····	<u>۲</u>	steps	F				······		<u> </u>
Rank	1	2	3	4	5	6	7	8	9	10	11	12	13	14

Steps

## (e) "Creditable Service" Defined.

- (1) In implementing the Pay Plan for management employees of the Police Department and the Department of Fire and Rescue Services, "creditable service" means time spent in sworn classifications of the Police Department, in uniformed service in positions in the Department of Fire and Rescue Services, and in the positions of Police Officer (Probationary) and Firefighter Trainee.
- (2) An employee shall be credited with service upon completion of the required length of service.
- (3) "Creditable service" does not include time spent during unpaid breaks in service, time worked for which performance was rated less than satisfactory, or paid leave that was not credited as service time under application of the section entitled "Step Increment" of the Pay Plan.

## Step Increment.

- (a) When Authorized. In a fiscal year, an employee in the Classified Service may be granted a step increment if:
  - (1) The Personnel Officer establishes a step increment in the fiscal year for all eligible employees;
  - (2) The County Executive provides for the step increment in the proposed annual expense budget for the fiscal year;
  - (3) The step increment is approved by the County Council as part of the expense budget; and
  - (4) The employee is eligible under subsection (b) of this section.
- (b) *Eligibility*. A Classified employee is eligible to receive a step increment approved under subsection (a) of this section if:
  - (1) The employee is being paid below the maximum rate of pay in the employee's grade;
  - (2) The employee's respective salary *Schedule* permits a step increment;
  - (3) The employee's work meets the standards for satisfactory performance;
  - (4) The employee has worked more than 75% of the scheduled workdays in the preceding year; and
  - (5) The employee is not, based upon the employee's position description, included within an exclusive representative unit that has been deemed appropriate for purposes of collective negotiations under Title 1 of the County Code, that is governed by a collective bargaining agreement containing express language inconsistent with this section.
- (c) *Employees paid according to the PM or FM Schedule*. Notwithstanding subsection (b)(2) of this section, when authorized under subsection (a) of this section:
  - (1) An employee being paid below the maximum rate of pay in the employee's grade according to the *PM Schedule* is eligible for a step increment in accordance with the defined months of creditable service as indicated on the *PM Schedule*; and
  - (2) An employee being paid below the maximum rate of pay in the employee's grade according to the *FM Schedule* is eligible for step increment in accordance with the defined months of creditable service as indicated on the *FM Schedule*.
- (d) Step Increment After Probationary Period. Subject to subsection (a) of this section, and notwithstanding subsection (b)(2) of this section, if at the end of the initial probationary period an employee receives an overall rating of "Substantially Exceeds Standards" or better on the employee's performance appraisal, the department head may recommend and the Personnel Officer may approve a step increment for the employee.
- (e) *Effect of Funding on Step Increment*. If the County does not provide for a step increment in the current expense budget for any fiscal year, each year in which no step increment was granted shall be counted as one year for purposes of determining eligibility for a step increment in a subsequent year.
- (f) When Step Increment Effective.
  - (1) A step increment is effective for a Classified employee at the beginning of the pay period during which the anniversary of the employee's date of appointment occurs. If an employee receives a step increment at the end of a probationary period, subsequent step increments shall be effective at the beginning of the pay period during which the anniversary of the date the increment became effective occurs, not the employee's anniversary date.

- (2) An employee who is not eligible for a step increment on the appropriate date because the employee has not worked 75% of the scheduled workdays in the preceding year shall receive the increment immediately after the employee has worked the required number of scheduled workdays. The effective date of a step increment under this paragraph becomes the date on which the employee shall receive subsequent step increments under this section.
- (g) *Eligibility not Affected*. Eligibility for a step increment shall not be affected by:
  - (1) Pay increases due to change in hours of work;
  - (2) General pay increases affecting one (1) or more classes;
  - (3) Transfer; or
  - (4) Except as provided in subsection (f) of this section, promotion or reclassification to the extent that, for the purpose of determining eligibility for a step increment under Subsection (b)(2) of this section, the time spent in the former step is counted as time spent in the new step.
- (h) *Effect of Promotion or Reclassification on Step Increment*. If an employee is promoted or reclassified, the employee's anniversary date does not change, and future step increments shall be paid at the beginning of the pay period during which the anniversary date occurs. Granting a step increment during the employee's promotional probationary period does not satisfy the requirements of probation.

• Remove the salary schedule that was effective July 1, 2024

#### 14. Fraternal Order of Police Lodge 131, Sheriff, CS/DS Schedule

The schedule covers positions assigned to the Sheriff's Office, most of which are covered by collective bargaining. The pay covering collective bargaining positions reflects the negotiated agreement and will remain in place as previously adopted by the Council.

The Grade DS2, (Security Officer) is not covered by collective bargaining. The adjustments to pay for these positions align with adjustments for other non-represented employees who are covered by the General salary scale.

Proposed updates include:

- Remove the salary schedule that was effective July 1, 2024.
- Add the following FY26 pay schedules:
  - ✓ Add pay scales that will become effective January 1, 2026. This schedule will amend the January 1, 2025 schedule by:
    - Adding a 3% COLA for Sheriffs at grades CS (1-3).
      - Adding a 3% COLA for Sheriffs at grades DS (5-7).
    - Adding a 2% COLA for Security Officers at grades DS (2)

Fiscal impact in FY26 is approximately: \$ 97,000

### 15. RLC Schedule: Recreational Licensed Childcare

- Remove the salary schedule that was effective July 1, 2024.
- Add the following FY26 pay schedules:
  - ✓ Add schedule that will become effective January 1, 2026. This schedule will amend the January 1, 2025 schedule by adding a 2% COLA across the pay scale.

3

Fiscal impact in FY26 is approximately: \$24,000

### B. Implementing the Pay Plan, Overtime and Compensatory Time.

Amendments are recommended for provisions covering compensatory time for employees exempt from the Fair Labor Standards Act.

The Fair Labor Standards Act mandates certain positions to receive overtime pay at a rate of 1 ½ times for all hours worked beyond 40 in a work week. Employees that are exempt from Fair Labor Standards Act are not required to receive 1 ½ overtime pay under the Act.

Like many public employers, the county utilizes compensatory leave to address overtime at 1 ½ and straight time depending on the work being carried out by positions and their status under the Fair Labor Standards Act. Compensatory leave provides eligible employees with paid time off in exchange for extra hours worked beyond their regular schedule, particularly in lieu of immediate overtime pay. It serves as a flexible workforce tool that allows departments to meet operational demands while balancing overall time and resource allocation.

In Section (8) and (9), which address compensatory leave earned by exempt employees, amendments are being made to:

- 1. The Administration proposes an adjustment in compensatory leave accrual limit from the current maximum of 80 to 120 hours. This higher limit is essential to maintaining the County's operational readiness, particularly during periods of high service demand when employees are required to work extended hours to meet critical deadlines. This adjustment ensures continuity of operations while providing departments the flexibility to manage staffing and workload effectively within existing budget constraints.
- 2. Minor amendments have also been to clarify the existing basis on which compensatory leave is earned, and to explain that the amended language applies unless otherwise addressed by collective bargaining, or other subsections of the Code that may apply to specific positions in the County.

<u>Fiscal impact in FY26 is approximately</u>: No direct fiscal impact. Salary for individuals using comp time would already be budgeted. It is difficult to predict if overtime and leave costs would be impacted and to what extent.

## C. Position Classification Codes and Pay Grades for Executive Exempt Employees

Proposed amendments are being made to the Pay Plan under this section to recognize the new positions that will be assigned to the Department of General Services. These positions were previously considered as part of Council Bill 9-2025, in which the Council approved a reorganization of the Executive Branch of the County Government to establish a Department of General Services.

<u>Fiscal impact</u>: There is no additional fiscal impact from these amendments as they were reviewed as part of CB9-2025.

\* THE PAY PLAN WILL BE IMPLEMENTED AT THE BEGINNING OF THE PAY PERIOD IN WHICH JAN, RY 1, 2025, FALLS.

# Implementing the Pay Plan.

- (a) Rates are Hourly Rates. All rates of pay contained in the Pay Plan are expressed as hourly rates.
- (b) Fair Labor Standards Act (The "FLSA").
  - Except as otherwise provided in the Pay Plan, full-time employees exempt from coverage of the (1)federal FLSA receive an annual salary, which shall be calculated by multiplying the employee's hourly rate by the number of hours the employee is regularly scheduled to work, er year, which are either the standard work hours for County employees or a schedule approved by the Personnel Officer under section 1.113(a)(1) of the County Code.
  - In accordance with requirements of the FLSA, while the rates of pay in this Pay Plan, which are (2)established by ordinance, may be expressed as hourly rates, employees in p sitions which have been determined to be exempt under the FLSA are paid on a salary basis, eaning a predetermined amount that does not vary from pay period to pay period, is not adjusted, or quality or quantity of work, and meets the minimum salary level requirements under FLSA.

Batt. Chief	78	90	102	114	126	138	150	. 62	174	186	198	222	246	270
Asst Chief	90	102	114	126	138	150	1	174	186	198	210	234	258	282

(e) "Creditable Service" Defined.

- In implementing the Pay Plan for man gement employees of the Police Department and the (1)Department of Fire and Rescue Services, "creditable service" means time spent in sworn classifications of the Police Department, in uniformed service in positions in the Department of Fire and Rescue Services, and in the positions of Police Officer (Probationary) and Firefighter Trainee.
- An employee shall be credit a with service upon completion of the required length of service. (2)

# Step Increment.

- (a) When Authorized. In a fiscal year, an employee in the Classified Service may be granted a step increment if:
  - (1) The Personnel Officer establishes a step increment in the fiscal year for all eligible employees;
  - (2) The County Executive provides for the step increment in the proposed annual expense budget for the fiscal year;
  - (3) The step increment is approved by the County Council as part of the expense budge, and

  - (3) The employee's work meets the standards for satisfactory performance;
  - (4) The employee has worked more than 75% of the scheduled workdays in the preceding year; and
  - (5) The employee is not, based upon the employee's position description, included within an exclusive representative unit that has been deemed appropriate for purposes of collective negotiations under Title 1 of the County Code, that is governed by a collective bargaining agreement containing express language inconsistent with this section

- (e) Effect of Funding on Step Increment. If the County does not provide for a step increment in the current expense budget for any fiscal year, each year in which no step increment was granted shall be counted as one year for purposes of determining eligibility for a step increment in a subsequent year.
- (f) When Step Increment Effective.
  - (1) A step increment is effective for a Classifie remployee at the beginning of the pay period during which the anniversary of the employee's due of appointment occurs. If an employee receives a step increment at the end of a probation by period, subsequent step increments shall be effective at the beginning of the pay period during which the anniversary of the date the increment became effective occurs, not the employee's universary date.

- (2) An employee who is not eligible for a step increment on the appropriate date because the employee has not worked 75% of the scheduled workdays in the preceding year shall receive the increment immediately after the employee has worked the required number of scheduled workdays. The effective date of a step increment under this paragraph becomes the date on which the employee shall receive subsequent step increments under this section.
- (g) Eligibility not Affected. Eligibility for a step increment shall not be affected by:
  - (1) Pay increases due to change in hours of work;
  - (2) General pay increases affecting one (1) or more classes;
  - (3) Transfer; or
  - (4) Except as provided in subsection (f) of this section, promotion or reclassific tion to the extent that, for the purpose of determining eligibility for a step increment under Subsection (b)(2) of this section, the time spent in the former step is counted as time spent in the n w step.
- (h) *Effect of Promotion or Reclassification on Step Increment.* If an employee is promited or reclassified, the employee's anniversary date does not change, and future step increments shall be pild at the beginning of the pay period during which the anniversary date occurs.
