Howard County Classification Plan

Fiscal Year [[2014]]2015

(Revised – July, [[2013]]2014)

The Howard County Classification Plan is a job schematic covering all officers and employees in the classified and exempt service of the merit system excepting those positions identified in Section 1.111.(a)(2) and Section 1.111.(b)(5) of the Howard County Code or under the conflicting provisions of Section 1.111.(e)(1). The Classification Plan contains information on occupational groups, class families, and the qualifications, duties, FLSA status, and general requirements for each position classification contained in the Plan.

The Classification Plan is administered by the Office of Human Resources, under authority of the Personnel Officer, in accordance with Section 1.201. of the Howard County Code. Revisions to the Classification Plan are submitted by the County Executive to the Personnel Board for approval and then transmitted to the County Council for legislative action.

TERMS:

Position (full-time): A group of duties and responsibilities, assigned by legitimate authority, requiring the full-time services of an employee. A position can be either vacant or occupied.

Classification: A group of positions similar enough in job content, qualification requirements and market worth as to share the same official title, classification code number, class description, test of fitness and salary grade.

Class Family: a group of job classifications which are similar enough in the area of work as to be joined together in representing the various levels of an occupation(s) for which Howard County has positions.

Occupational Group: The largest division of work which combine various class families into several broad categories of Howard County employment, i.e.; Technical Services, Public Safety, Community Services, etc.

NOTES:

Class Descriptions in this Plan are intentionally general and brief containing only such information on job content as is useful in defining the nature and level of work and in differentiating the work from other classes.

Job Descriptions specifically identify various key aspects and components of a singular position such as duties and responsibilities, work location, work schedule, equipment utilized, task statements, physical requirements, etc. and are useful in classification matters, communicating job standards, recruitment, organizational development, performance evaluation and so forth. The Office of Human Resources strongly encourages county departments to maintain up-to-date job descriptions on all department positions and assistance is available for such purpose.

Classification Specifications for job classes covered by collective bargaining agreement with Police Local 86 and Blue Collar Local 3085 will be maintained separately by the Office of Human Resources and are considered an official addendum to the Howard County Classification Plan. These classes are listed by union local within the Howard County Pay Plan. Each specification shall contain the title, grade, duties and qualification requirements of the class.

SOME JOB CLASSIFICATIONS IN THE CLASSIFICATION PLAN ARE COVERED BY THE PROVISIONS OF A COLLECTIVE BARGAINING AGREEMENT AND ARE LISTED IN THE HOWARD COUNTY PAY PLAN BY UNION LOCAL AFFILIATION. HOWEVER, NOT ALL POSITIONS IN THESE LISTED CLASSIFICATIONS ARE COVERED BY THE COLLECTIVE BARGAINING AGREEMENT; SOME ARE EXCLUDED FROM UNION PARTICIPATION DUE TO THE CONFIDENTIAL OR MANAGERIAL NATURE OF THE WORK OR BECAUSE THE POSITION IS GRANT FUNDED, STATE-AUTHORIZED EXEMPT, SEASONAL, PART-TIME, OR TEMPORARY. PAY, BENEFITS AND WORKING CONDITIONS FOR THESE EMPLOYEES SHALL FOLLOW THE EMPLOYEE MANUAL AND OTHER PAY PLAN RULES. THE OFFICE OF HUMAN RESOURCES WILL MAINTAIN A REGISTER OF THESE INELIGIBLE POSITIONS.

The Office of Human Resources encourages the use of functional job titles to identify individuals and positions in the public service. Official titles, grades, code numbers and other designations are maintained by the OHR as necessary to administer the provisions of the Classification and Pay Plans. The Office of Human Resources may also use functional or working titles in order to exchange classification and pay information with other employers.

General Reviews- The Classification Plan will be periodically reviewed to ensure that classes reflect County jobs and are correctly allocated to the appropriate grade. At such time department heads will be advised to furnish the Office of Human Resources with requests to review specific aspects of the Classification and the Pay Plans.

Position Reclassification- The Office of Human Resources will review the classification of individual positions when requested by a department head. Employees may initiate the process within their department. The procedure for conducting this review is established in Policy and Procedure titled POSITION RECLASSIFICATION, found in the Employee Manual.

Minimum Requirements- Unless otherwise specifically noted, minimum requirements include an equivalent combination of the education and experience listed in the area of the Occupational Class Family. The Human Resources Administrator determines educational and experience equivalency and sufficiency.

Preferred Qualifications- Specific education and experience preferences may vary according to the position assignments.

Licenses and Certificates- Depending upon position assignments, one or more of the listed licenses or certificates, or its equivalent, issued or recognized by the State of Maryland, may be required.

*- An asterisk after the Code Number indicates that there are bargaining unit positions which are designated for conversion to this title. These positions shall remain in the current title until changed by negotiated agreement or until a negotiated agreement is no longer in effect.

Howard County
Internal Memorandum

SUBJECT: Council Testimony and Fiscal Impact
Statement – Council Bills

To: Lonnie Robbins
Chief Administrative Officer

Through: L. Todd Allen 
Human Resources Administrator

From: Art Griffin 
Chief, Classification and Pay

Date: April 24, 2014

The Administration is seeking Council approval of several Human Resource related Council bills affecting the Howard County Classification and Pay Plans and the Retirement Plan Section of the Howard County Code.

The changes to the Howard County Pay Plan include the FY 15 pay rates for General Scale non-union County employees as well as the rates negotiated with the unions for FY 15. Not all groups have ratified agreements as of the bill filing so FY14 rates will prevail until these unions ratify and sign new collective bargaining agreements.

Any conflicting provisions between the new contracts and the Howard County Code will be submitted under separate legislation.

The Police Department has requested that the Emergency Communications Supervisor class be shifted from the General scale to its own pay scale so that improvements that the Dispatcher union has negotiated can more easily be passed through to this group of first line supervisors. The Police Chief has also asked the Police Information Specialist be retitled and upgraded to reflect new assignments and responsibilities. The new title will be Police Information Supervisor at a Grade L.

For the Department of Corrections the Administration is seeking to create a new classification of work at the Grade H level. The new class is expected to have two incumbents when funded. The Director has asked that this class be included under the

Page 2

Corrections Retirement Formula. Also, there is a revision in the Pay Plan that will pay Correctional Supervisors the new longevity rates that the Correctional Officer union has negotiated.

The Classification Descriptions for several jobs are being revised as a result of job studies conducted by the Human Resources Office during the past year. More accurate language is being added or replacing outdated language. The Natural Resources Technician II, Police Support Services Supervisor III and Fiscal Specialist II are affected by these changes.

Not all positions in the New Office/Technical Union, Local 1810, are eligible to participate in the union under Howard County Labor Relations Law. The Administration is seeking to add language to the Classification Plan to explain how the Human Resources Office will track and identify these positions so that the employees and the union are aware of which positions are affected. We are also asking the Council to reverse the action we requested last year in creating the Management Aide class which we now believe to be a burdensome and less effective way to track and manage these positions which are ineligible for participation in Local 1810.

The Bill also seeks to remove some outdated language referencing the 207K exemption available for use with public safety employees. As overtime is now fully managed by negotiated agreement with these individuals, there is no need to keep this language in the Pay Plan.

A chart is attached to this testimony that provides a single source summary of the changes and Todd Allen and I will be available to the Council to more fully explain any individual action. The costs for these items have been included in the department salary accounts of the County Executive's budget bill which is presently before the Council.

These items have been discussed before the Personnel Board and have received the Board's approval for items under its purview and the Board received a courtesy update for items in the Exempt Service.
