BY: Deb Jung

Legislative Day 14

Date: October 6, 2025

Amendment 1 to Amendment No. 1

(This Amendment to Amendment 1 proposes alternative language that addresses future land use of contaminated sites.)

1 On page 62A of the Gateway Master Plan, attached to Amendment 1, in the first paragraph, in
2 line 6 after “time”, strike beginning with the comma up to the period in line 9, and insert the
3 following:

4 “future monitoring or remediation may result in compliance with current environmental safety
5 standards allowing modifications to current land use limitations”.
