If the I district is not approved, consider deleting the I district and removing the Institutional zoning overlay from the YMCA and Veterans Elementary School.	CCT	RC-DEO	Split vote 3-2 The 3 Board members that voted to keep the current zoning believed that the other two districts do not fit the property/use. They agreed that the Conditional Use process was appropriate and would give the public the opportunity to participate. The two Board members that voted for the I Zoning District thought that having it go through the Zoning Board process to get the district would work best. This would allow for public input and the decision would be up to elected officials. The language for the I District would have to be changed to allow it outside of the PSA.
