The Department of Corrections was awarded grant funds from the Governor's Office of Crime Control and Prevention for the Safe Streets grant. The Safe Streets program provides Reentry Services for inmates returning to the community. The program connects ex-offenders more efficiently to community services and tracks maintenance of sobriety, reduced recidivism, and decrease in criminal activity after release. The grant is currently budgeted for \$24,750. We have been awarded additional funds in the amount of \$32,530.00

Due to the additional funding I am requesting a supplemental appropriation in the amount of \$32,530.00 for the Safe Streets grant.
