This franchise grants no authority for Franchisee to use the LFA's Public Rights-of-Way for any other purpose unless otherwise expressly provided herein. However, nothing in this Agreement shall be construed to prohibit Franchisee from offering any service over the Cable System that is not prohibited by federal or state law provided any requirements for LFA authorization or registration not inconsistent with federal and state law are satisfied. No privilege or power of eminent domain is bestowed by this grant; nor is such a privilege or power bestowed by this Agreement. The authority granted under this Franchise is pursuant to the LFA's Cable Law. By its acceptance of the terms of this Franchise, except as may be otherwise provided in this Agreement, Franchisee specifically agrees to abide by the lawful requirements of said Cable Law in effect as of the date hereof, which requirements are incorporated herein by reference.

2.2 *LFA's Regulatory Authority*: The parties recognize that part of Franchisee's Network is being constructed and will be operated and maintained as a Telecommunications

Facilities for the provision of Non-Cable Services. The jurisdiction of the LFA over such Telecommunications Facilities is restricted by federal and state law, and the LFA does not assert jurisdiction over Franchisee's Network in contravention of those limitations. Therefore, as provided in Section 621 of the Communications Act, 47 U.S.C. §541, the LFA's regulatory authority under Title VI of the Communications Act is not applicable to the construction, installation, maintenance or operation of Franchisee's Network to the extent the Network is constructed, installed, maintained or operated for the purpose of upgrading and/or extending Franchisee's Telecommunications Facilities for the provision of Non-Cable Services. This Agreement shall not be construed to limit whatever regulatory authority the LFA may have under state and local law with respect to the Network facilities as Telecommunications Facilities.

2.3 *Term:* This Franchise shall become effective on the effective date of Howard County Council Bill No. _____ adopted February ____, 2009 (the "Effective Date") subject to the provisions of Section 14.408(h) of the Cable Law. The parties shall memorialize the Effective Date in writing. The term of this Franchise shall be ten (10) years from the Effective Date unless the Franchise is earlier revoked or terminated as provided herein.

2.4 *Grant Not Exclusive:* The Franchise and the right it grants to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the LFA reserves the right to grant other franchises for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use themselves, at any time during the term of this Franchise. Any such rights which are granted shall not by their terms reduce or detract from the authority granted under this Franchise.

2.5 *Franchise Subject to Federal Law:* Notwithstanding any provision to the contrary herein, this Franchise is subject to and shall be governed by all applicable provisions of federal law including but not limited to the Communications Act.

2.6 No Waiver:

2.6.1 The failure of the LFA on one or more occasions to exercise a right or to require compliance or performance under this Franchise, the Cable Law or any other applicable law shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance by the LFA, nor to excuse Franchisee from complying or performing, unless such right or such compliance or performance has been specifically waived in writing.

2.6.2 The failure of Franchisee on one or more occasions to exercise a right under this Franchise or applicable law, or to require performance under this Franchise, shall not be deemed to constitute a waiver of such right or of performance of this Agreement, nor shall it excuse the LFA from performance, unless such right or performance has been specifically waived in writing.

2.6.3 Neither this Franchise nor any action by the LFA hereunder shall constitute a waiver of or a bar to the exercise of any police right or power of the LFA, including without limitation, the right of eminent domain. This Agreement shall not limit any authority of the LFA in accordance with Maryland law to condemn, in whole or in part, any property of Franchisee, provided that Franchisee shall receive whatever condemnation award Franchisee

would normally be entitled to recover as a matter of Maryland law. Partial condemnation of Franchisee's property shall not terminate this Agreement except in accordance with the terms of this Agreement.

2.7 Construction of Agreement:

2.7.1 The provisions of this Franchise shall be liberally construed to effectuate their objectives. Except as provided in this Agreement, in the event of a conflict between the existing Cable Law and this Agreement, the Cable Law shall prevail, provided, however, that any amendments to the Cable Law after the Effective Date shall be consistent with state and federal law, and shall not abrogate any contractual rights of Franchisee contained herein or otherwise alter any of Franchisee's material rights, benefits, obligations or duties specified in this Franchise or impose any new obligations or duties.

2.7.2 Nothing herein shall be construed to limit the scope or applicability of Section 625 of the Communications Act, 47 U.S.C. § 545.

2.7.3 The LFA and Franchisee each acknowledge that they have received legal advice in entering into this Agreement. In the event that a dispute arises over the meaning or application of any term(s) of this Agreement, such term(s) shall not be construed by the reference to any doctrine calling for ambiguities to be construed against the drafter of the Agreement.

2.8 *Police Powers:* Nothing in the Franchise shall be construed to prohibit the reasonable, necessary and lawful exercise of the LFA's police powers. However, if the reasonable, necessary and lawful exercise of the LFA's police power results in any material alteration of the terms and conditions of this Franchise, then the parties shall modify this Franchise to the mutual satisfaction of both parties to ameliorate the negative effects on Franchisee of the material alteration. If the parties cannot reach agreement on the above-referenced modification to the Franchise, then Franchisee may terminate this Agreement without further obligation to the LFA notwithstanding Section 14.408(a) of the Cable Law or, at Franchisee's option, the parties agree to submit the matter to binding arbitration in accordance with the commercial arbitration rules of the American Arbitration Association.

3. **PROVISION OF CABLE SERVICE**

3.1 Service Area:

3.1.1 *Initial Service Area:* Franchisee shall offer Cable Service to significant numbers of Subscribers in residential areas of the Initial Service Area and may make Cable Service available to businesses in the Initial Service Area, within twelve (12) months of the Service Date of this Franchise, and shall offer Cable Service to all residential areas of the Initial Service Area within two (2) years of the Service Date of the Franchise, except: (A) for periods of Force Majeure; (B) for periods of delay caused by the LFA; (C) for periods of delay resulting from Franchisee's inability to obtain authority to access rights-of-way in the Service Area; (D) in areas where developments or buildings are subject to claimed exclusive arrangements with other providers; (E) in developments or buildings that Franchisee cannot access under reasonable terms and conditions after good faith negotiation, as determined by Franchisee; and (F) in areas,

developments or buildings where Franchisee is unable to provide Cable Service for technical reasons or which require non-standard facilities which are not available on a commercially reasonable basis; (G) in areas where the occupied residential household density does not meet the density and other requirements set forth in Sub-subsection 3.1.1.1. and Section 3.2.; and (H) in areas where the residences and businesses are not yet constructed, in which case Franchisee shall have eighteen (18) months from the date of occupancy permit to provide service to such potential customers if requested.

3.1.1.1 Density Requirement: Franchisee shall make Cable Services available to residential dwelling units in all areas of the Service Area where the average density is equal to or greater than 30 occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active Network trunk or feeder line. Should, through new construction, an area within the Initial Service Area meet the density requirements after the time stated for providing Cable Service as set forth in Subsections 3.1.1 and 3.1.2 respectively, Franchisee shall provide Cable Service to such area within one (1) year of receiving notice from the LFA that the density requirements have been met. In connection with the provision of Cable Service to lower density areas within the Service Area under Section 14.411(b)(3) of the Cable Law, Franchisee's one time charge under clause (i) thereof, will include all costs required to extend service, including, but not limited to, total construction, engineering, capital and administrative costs.

3.1.2 Extended Service Area: Within seven (7) years of the Service Date, Franchisee shall offer Cable Service to all residential areas of the Extended Service Area subject to the conditions of Subsection 3.1.1 above and the other terms set forth herein; provided, however, that the Extended Service Area may be modified in whole or in part by Franchisee upon demonstrating to the LFA that it would be economically infeasible to serve an area within the Extended Service Area. The LFA shall not unreasonably refuse, delay or condition any such request for a modification of the Extended Service Area. Furthermore, in areas of the extended service area (as identified on Exhibit B) where the residences and businesses are not constructed as of the Service Date, the Franchisee shall have the greater of seven (7) years from the Service Date or eighteen (18) months from the date of occupancy permit to provide service if requested.

3.1.3. Additional Service Areas: In the event that Franchisee desires to build-out the cable system beyond the franchise area, Franchisee shall notify LFA in writing and provide detailed plans and maps of the desired build-out. Furthermore, Franchisee shall be permitted to recover, from any school or other public building owner entitled to free service, the direct cost of installing, when requested to do so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than one hundred twenty-five (125) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed. The LFA shall not unreasonably refuse, delay or condition any such request for a modification of the Cable System.

5.2.1 The FTTP Network fiber outside the headend shall be initially designed utilizing splitters of no greater than thirty-two (32) homes per splitter. The FTTP Network shall be pass-through or passive until reaching the equipment at the Subscriber's premise or in the multi-dwelling unit utility room.

5.2.2 Status monitoring capability shall be a feature of the electronics at the customer premises in the FTTP Network. The FTTP Network shall deliver fiber to an Optical Network Terminal ("ONT") or similar device at the Subscriber's premises or in the multi-dwelling unit utility room. The optical equipment at the headend may have a light to indicate that devices at both ends of the link are active. 6.1.1 In order to ensure greater availability of public, educational and government programming, Franchisee shall provide a capital grant of (\$35,000) to be used for upgrading public, educational and government access. This capital grant is accepted by LFA in lieu of requiring Franchisee to provide PEG programming given the associated costs for

Franchisee, a secondary franchise holder with the following circumstances : 1) the location of Franchisee's headend is too far from designated PEG interconnection points; 2) Other existing cable operators refuse to interconnect with Franchisee in a reasonably cost-effective manner; and 3) the LFA agrees that no other viable alternatives exist.

6.1.2.1 PEG Interconnection may be accomplished by direct cable, or other reasonable method of connection as determined by Franchisee in its reasonable discretion, subject to the approval of the LFA, which approval shall not be unreasonably delayed or denied. Franchisee shall negotiate in good faith with the existing cable operator respecting a reasonable, mutually convenient, cost-effective, and technically viable interconnection point, methods, terms and conditions. Franchisee and the existing cable operator shall negotiate the precise terms and conditions of an interconnection agreement. If the interconnection point is outside the Service Area, Franchisee shall have use of the Public Rights-of-Way and or LFA owned land outside the Service Area to install its cable and any public road crossings used for the PEG interconnect shall not count towards the Franchisee's limit as a Secondary Franchise. Franchisee shall notify the LFA prior to any interconnection of the Cable System.

6.1.2.2. Should PEG interconnection occur, Franchisee shall offer on the Basic Service Tier at least four (4) Access Channels (collectively, "PEG Channels"), which shall be individually designated by the LFA as Public, Educational or Government Access Channels. Each PEG Channel carried as a part of a basic service tier shall be delivered in a format so that every Subscriber can receive and display the PEG signals using the same equipment that is used for other Basic Service Channels. Further, each PEG Channel shall be delivered with transmission quality the same as or better than the transmission quality of any other Channel on Basic Cable Service, subject to the quality of the same received from the other cable operator.

6.1.2.3 The LFA shall notify Franchisee in writing of the programming to be carried on the PEG Channels to be set aside by Franchisee, and Franchisee shall assign the PEG Channels on its channel lineup in its sole discretion. The LFA hereby authorizes Franchisee to transmit such programming within and without the Franchise Area. If a PEG Channel provided under this Article is not being utilized by the LFA, Franchisee may utilize such PEG Channel, in its sole discretion, until such time as the LFA elects to utilize the PEG Channel for its intended purpose.

6.1.2.4. The LFA shall require all local producers and users of any of the PEG facilities or Channels to agree in writing to authorize Franchisee to transmit programming consistent with this Agreement and to defend and hold harmless Franchisee and the LFA from and against any and all liability or other injury, including the reasonable cost of defending claims or litigation, arising from or in connection with claims for failure to comply with applicable federal laws, rules, regulations or other requirements of local, state or federal authorities; for claims of libel, slander, invasion of privacy, or the infringement of common law or statutory copyright; for unauthorized use of any trademark, trade name or service mark; for

breach of contractual or other obligations owing to third parties by the producer or user; and for any other injury or damage in law or equity, which result from the use of a PEG facility or Channel.

6.2 PEG/INET Grant:

6.2.1 Franchisee shall provide a grant to the LFA to be used for public, educational, or governmental access facilities and equipment, including but not limited to the LFA's institutional network ("INET") (the "PEG/INET Grant"). Such grant shall be used solely by the LFA for PEG access and INET equipment and facilities, including, but not limited to, studio and portable production equipment, editing equipment and program playback equipment, or for renovation or construction of PEG access facilities.

6.2.2 The PEG/INET Grant provided by Franchisee hereunder shall be the sum of \$0.10 per month, per subscriber in the Service Area to Franchisee's Basic Service Tier. The PEG/INET Grant payment, along with a brief summary of the Subscriber information upon which it is based, shall be delivered to the LFA within sixty (60) days after the end of each calendar quarter during the Franchise Term. Calculation of the PEG/INET Grant will commence with the first calendar month following the Effective Date. The LFA shall provide Franchisee with a complete accounting annually of the distribution of funds granted pursuant to this Section 6.2 and Section 6.3.

6.3 If, in connection with the LFA's renewal or modification of the incumbent cable operator's franchise, such cable operator agrees to provide INET facilities or an INET grant to the LFA, Franchisee shall provide the LFA with a *pro rata* share of the economic value of such facilities or grant on the same per Subscriber per month basis for the remainder of the term of this Franchise pursuant to a mutually agreed to amendment to this Franchise. In no event shall such INET grants by Franchisee exceed \$0.50 per Subscriber per month.

6.4 To the extent permitted by federal law, Franchisee shall be allowed to recover the costs of the PEG/INET Grant from Subscribers and to include such costs as a separately billed line item on each Subscriber's bill. Without limiting the forgoing, if allowed under state and federal laws, Franchisee may externalize, line-item, or otherwise pass-through interconnection costs to Subscribers.

6.4.1 Should Franchisee interconnect to another cable operator and provide PEG programming services during the term of this agreement including any modifications made thereof, the grant provided by Franchisee for I-NET services shall increase to the sum of \$0.20 per month, per subscriber in the Service Area to Franchisee's Basic Service Tier.

Such payments shall be made no later than thirty (30) days following

the end of each calendar quarter. Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall receive a credit from the LFA for any payments that were incorrectly submitted, in connection with the quarterly Franchise fee remittances within 90 days following the close of the calendar year for which such payments were applicable.

7.3 *Limitation on Franchise Fee Actions:* The period of limitation for recovery of any Franchise fee payable hereunder shall be three (3) years from the date on which payment by Franchisee is due.

7.4 *Bundled Services:* If Franchisee bundles Cable Service with Non-Cable Service, Franchisee agrees that it will allocate the discount associated with such bundle consistent with the portion allocated in Franchisee's books and records kept in the regular course of Franchisee's business. If Franchisee bundles Cable Services with Non-Cable Services, Franchisee agrees that it will not intentionally or unlawfully allocate such revenue for the purpose of evading Franchise fee payments under this Franchise. The parties agree that tariffed telecommunication services that cannot be discounted by state or federal law or regulation are to be excluded from the bundled discount allocation basis.

8. **CUSTOMER SERVICE**

Franchisee shall comply in all material respects with Section 14.414 of the Cable Law subject to the exceptions and modifications contained in this Article 8.

The ARU or VRU shall contain an option for the customer to speak directly to a customer service representative. If a foreign language routing option is provided, and the Subscriber does not enter an option, the menu will default to the first tier menu of English options. For purposes of Sections 14.414(c)(4)(i) and 14.414(c)(4)(ii) of the Cable Law, the answer and transfer times are to be measured from the time that the customer selects an option on the ARU or VRU to speak to a customer service representative.

8.5.2 In lieu of utilizing a VRU, A secondary franchisee holder that employs 2 or fewer customer service representatives may rely on a voicemail messaging system during normal business hours to record incoming service related phone calls if a live representative is not available and a customer service representative returns the call promptly, no later than on the next business day. Should the next business day fall on a Monday or holiday, all effort shall be made to return the call by the close of business on the same day.

8.6 *Outages:* Franchisee shall exercise commercially reasonable efforts to limit any Significant Outage to the maintenance, repair, or construction the Cable System. Under Normal Operating Conditions, the Franchisee shall provide a credit upon Subscriber request when all Channels received by the Subscriber are out of service for a period of four (4) consecutive hours or more. The credit shall equal, at a minimum, a proportionate amount of the affected Subscriber(s) current monthly bill. In order to qualify for the credit, the Subscriber must promptly report the problem and allow the Franchisee to verify the problem if requested by the Franchisee. If Subscriber availability is required for repair, a credit will not be provided for such time, if any, that the Subscriber is not reasonably available.

8.7 *Enforcement:* For any purpose of reviewing compliance with customer service standards the next to last sentence of Exhibit E shall apply.

Franchisee shall not be required to maintain any books and records for Franchise compliance purposes longer than three (3) years. Notwithstanding anything to the contrary set forth herein, Franchisee shall not be required to deliver copies of information that it reasonably deems to be proprietary or confidential in nature, or disclose any of its or an Affiliate's books and records not relating to the provision of Cable Service in the Service Area. The LFA shall only disclose Franchisee's proprietary or confidential information it to employees, representatives, and agents thereof who have a need to know, or in order to enforce the provisions hereof. The LFA shall treat as confidential any books, records and information disclosed hereunder that constitutes proprietary or confidential information under federal or state law, to the extent Franchisee makes the LFA aware of such confidentiality. Franchisee shall be responsible for clearly and conspicuously stamping the word "Confidential" on each page that contains confidential or proprietary information, and shall provide a brief written explanation as to why such information is confidential under State or federal law. If the LFA believes it must disclose any such confidential information in the course of enforcing this Franchise, or for any other reason, it shall advise Franchisee in advance so that Franchisee can take appropriate steps to protect its interests. If the LFA receives a demand from any Person for disclosure of any information designated by Franchisee as confidential, the LFA shall, so far as consistent with applicable law, advise Franchisee and provide Franchisee with a copy of any written request by the party demanding access to such information within a reasonable time. 9.2.4 Records of installation/reconnection and requests for service extension for a period of three years after the request was fulfilled by Franchisee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and

9.2.5 A public file showing the area of coverage for the provisioning of Cable Services and estimated timetable to commence providing Cable Service.

9.3 Certain Cable Law Reporting Requirements.

9.3.1 In the summary to be provided in the annual report to the LFA pursuant to Section 14.413(a)(1) of the Cable Law the number of houses passed by the Cable System will be for each of Franchisee's wire centers serving the Franchise Area, not by Service Area, and the miles of cable distribution plant in service will be for the FTTP Network plant.

9.3.2 Section 14.413(a)(3) of the Cable Law may be satisfied by Franchisee providing to the Cable Administrator a general description of the deployment of Cable Service availability in a form reasonably requested by the Cable Administrator.

The LFA shall take action necessary to avoid entry of a default judgment if such action is needed

before the LFA provides Franchisee notice; provided, however, that no such action shall in anyway prejudice or harm Franchisee.

10.3.5 With respect to Franchisee's indemnity obligations set forth in this Section 10.3, Franchisee shall provide the defense of any claims, suits, causes of action, or proceedings brought against the LFA by selecting counsel of Franchisee's choice to defend the claim, subject to the consent of the LFA, which shall not unreasonably be withheld. Nothing herein shall be deemed to prevent the LFA from cooperating with Franchisee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the LFA, Franchisee shall have the right to defend, settle or compromise any claim, suit, cause of action, or proceeding arising hereunder, so long as the settlement includes a full release of the LFA, and Franchisee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the LFA does not consent to the terms of any such settlement or compromise, Franchisee shall not settle the claim or action but its obligation to indemnify the LFA shall in no event exceed the amount of such settlement. In the event that Franchisee fails, after notice pursuant to Subsection 10.3.4, to undertake the LFA's defense of any claims encompassed within this Section 10.3, Franchisee's indemnification shall include, but is not limited to, the LFA's reasonable attorneys' fees, including fees for outside counsel hired to defend the LFA, incurred in defending against any such claim, suit, cause of action, or proceeding, any interest charges arising from any claim, suit, cause of action, or proceeding arising under this Agreement or the Cable Law, the LFA's out-of-pocket expenses, and the reasonable value of any services rendered by the Howard County Solicitor, or the LFA's staff or its employees.

10.3.6 Neither the provisions of this Section nor any damages recovered by the LFA shall be construed to limit the liability of Franchisee or its subcontractors for damages under this Agreement or the Cable Law or to excuse the faithful performance of obligations required by this Agreement, except to the extent that any monetary damages suffered by the LFA have been satisfied by a financial recovery under this Section or other provisions of this Agreement or the Cable Law.

10.3.7 The LFA shall at no time be liable for any injury or damage occurring to any Person or property from any acts or omissions of Franchisee in the construction, maintenance, use, operation or condition of the Cable System. It is a condition of this Agreement that the LFA shall not and does not by reason of this Agreement assume any liability whatsoever of Franchisee for injury to Persons or damage to property; provided, however, that the LFA shall be responsible for its own acts of willful misconduct or negligence, or breach of obligation committed by the LFA for which the LFA is legally responsible, subject to any and all defenses and limitations of liability provided by law.

11. **TRANSFER OF FRANCHISE**

11.1 Subject to Section 617 of the Communications Act, 47 U.S.C. § 537, no Transfer of the Franchise shall occur without the prior consent of the LFA, provided that such consent shall not be unreasonably withheld, delayed or conditioned. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, by assignment of any rights, title, or interest of Franchisee in the Franchise or Cable System in order to secure

indebtedness, or otherwise excluded under Section 1.40.2 above. Such transfers shall not be considered a transfers subject to LFA approval under Section 14.421(a) of the Cable Law.

11.2 To the extent that LFA's consent to a Transfer of Franchise is required, Franchisee (or transferee) shall reimburse LFA for reasonable expenses incurred in reviewing that the transferee has the technical, legal, financial and operational ability to operate the Cable System to provide Cable Service. In no case shall Franchisee reimburse LFA for expenses exceeding \$15,000. This Section 11.2 supplements Section 14.421(e) of the Cable Law.

12. **RENEWAL OF FRANCHISE**

The LFA and Franchisee agree that any proceedings undertaken by the LFA that relate to the renewal of this Franchise shall be governed by and comply with the provisions of Section 14.420 of the Cable Law and Section 626 of the Communications Act, 47 U.S.C. § 546.

13. **ENFORCEMENT, REVOCATION AND TERMINATION OF FRANCHISE**

13.1 *Violations:* Violations of this Franchise shall be governed by Section 14.419 of the Cable Law. In the event that the LFA believes that Franchisee has not complied with the terms of this Franchise, the LFA shall informally discuss the matter with Franchisee. If these discussions do not lead to resolution of the problem, the LFA shall notify Franchisee in writing of the exact nature of the alleged noncompliance. Franchisee shall have thirty (30) days from receipt of such written notice to: (i) respond to the LFA, if Franchisee contests (in whole or in part) the assertion of noncompliance; (ii) cure such default; or (iii) in the event that, by the nature of default, such default cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the LFA of the steps being taken and the projected date that they will be completed, provided, however, that if such alleged noncompliance creates a safety hazard placing members of the public in imminent danger, Franchisee shall commence cure promptly after notice. In the event that Franchisee fails to respond to the written notice, or in the event that the alleged default is not remedied within thirty (30) days or the date projected pursuant to clause (iii) above, the LFA may pursue available remedies, including the assessment of liquidated damages against Franchisee as described in Section 13.5.

13.2 *Revocation:* Should the LFA seek to revoke the Franchise after following the procedures set forth in Section 13.1 above, it shall follow the procedures set forth in Section 14.422 of the Cable Law, including the initiation and conduct of an administrative proceeding under Subsection (b) thereof. Franchisee shall have ninety (90) days from the issuance of the presiding officer's decision under Section 14.422(b) of the Cable Law in which to respond in writing and to state its reasons for such objection. The LFA shall cause to be served upon Franchisee, at least thirty (30) days prior to a public hearing pursuant to Section 14.422(c) of the Cable Law a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

13.2.1 In addition, at the designated Section 14.422(c) hearing, Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, to require the production of evidence. A complete verbatim record or a transcript shall be made of such hearing.

13.2.2 Following the Section 14.422(c) public hearing, Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions in writing and thereafter the LFA shall determine (i) whether an event of default has occurred; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured or will be cured by Franchisee. The LFA shall also determine whether to revoke the Franchise based on the information presented, or, where applicable, grant additional time to Franchisee to effect any cure. If the LFA determines that the Franchise shall be revoked, the LFA shall promptly provide Franchisee with a written decision setting forth its reasoning. To the extent permitted by law, Franchisee may challenge or appeal such determination of the LFA to an appropriate court, which shall have the power to review the decision of the LFA de novo if permitted by law. Franchisee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of Franchisee's receipt of the determination of the franchising authority.

13.2.3 The LFA may, at its sole discretion, take any lawful action which it deems appropriate to enforce the LFA's rights under the Franchise in lieu of revocation of the Franchise.

13.3 Performance Bond.

13.3.1 . The Grantee shall establish a performance bond or irrevocable letter of credit in the amount of \$12,500 dollars (Exhibit D), to ensure its performance under this Agreement. If the Franchisee undertakes substantial new construction during the term of this Agreement, included but not limited to building out the Cable System to the Extended Service Area or any additional service areas added in the future, the County may require an increase in this amount.

13.3.2 In the event that a Performance Bond or irrevocable letter of credit provided pursuant to this Agreement is not renewed or is cancelled, Franchisee shall provide new security pursuant to this Article within 30 days of such cancellation or failure to renew.

13.3.3 Neither cancellation, nor termination nor refusal by a surety to extend the Performance Bond or irrevocable letter of credit, nor inability of Franchisee to file a replacement Performance Bond or replacement security for its obligations, shall constitute a loss to the LFA recoverable under the Performance Bond or irrevocable letter of credit.

13.4 *Security Fund*: Franchisee's security fund under Section 14.410 of the Cable Law shall be in the amount of Five Thousand Dollars (\$5,000) and may be in the form of cash or a irrevocable letter of credit in form and substance reasonably satisfactory to the LFA, as determined in the sole discretion of Franchisee (the "Security Fund"). The LFA may not draw on the Security Fund until thirty (30) days have passed after the LFA has provided Franchisee with written notice of its intent to make such withdrawal and the amount and the reasons therefor. In the event that the Security Fund is in the form of cash, amounts withdrawn from the Security Fund pursuant to this Section shall be replenished by Franchisee by delivering to the LFA or its designee for deposit in the Security Fund a cash amount equal to the amount so withdrawn within thirty (30) days of its receipt of notice from the LFA of the date and amount of such withdrawal. In the event the Security Deposit is in the form of a irrevocable letter of credit,

Franchisee shall replenish the Security Fund by establishing a new irrevocable letter of credit within thirty (30) days of its receipt of notice from the LFA of the date and amount of such withdrawal. Within thirty (30) days of receipt of the new irrevocable letter of credit, the LFA shall return the previously issued irrevocable letter of credit to Franchisee.

13.5 *Liquidated Damages:* If Franchisee fails to observe any obligation under this Franchise, the LFA may assess Franchisee, and Franchisee agrees to pay to the LFA, a monetary amount in accordance with the Liquidated Damages set forth in Exhibit E attached hereto. Upon the LFA's assessing a sanction pursuant to Section 13.1 above, written notice of such assessment shall be sent to Franchisee with a concise statement of the reasons therefor. Upon failure of Franchisee to make timely payment of an assessed penalty, the LFA may withdraw the amount of such penalty from the Security Fund.

13.6 *Termination by Franchisee:* Notwithstanding Section 14.408(a) of the Cable Law, Franchisee shall have the right to terminate this Franchise and all obligations hereunder within ninety (90) days after the end of three (3) years from the Service Date of this Franchise, if at the end of such three (3) year period Franchisee does not then in good faith believe it has achieved a commercially reasonable level of Subscriber penetration on its Cable System and it also terminates its other cable franchise agreements in the State of Maryland. Franchisee may consider Subscriber penetration levels outside the Franchise Area in this determination. Notice to terminate under this Section 13.6 shall be given to the LFA in writing, with such termination to take effect no sooner than one hundred and twenty (120) days after giving such notice. Franchisee shall also be required to give its then current Subscribers not less than ninety (90) days prior written notice of its intent to cease Cable Service operations.

14. **MISCELLANEOUS PROVISIONS**

14.1 *Actions of Parties:* In any action by the LFA or Franchisee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

14.2 *Binding Acceptance:* This Agreement shall bind and benefit the parties hereto and their respective heirs, beneficiaries, administrators, executors, receivers, trustees, successors and assigns.

14.3 *Preemption:* In the event that federal or state law, rules, or regulations preempt a provision or limit the enforceability of a provision of this Agreement, the provision shall be read to be preempted to the extent, and for the time, but only to the extent and for the time, required by law. In the event such federal or state law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the LFA. If, subsequent to the Effective Date, there is a change in federal law or state law that eliminates the authority of local governments to require and grant cable television franchises for the provision of Cable Service, then to the extent permitted by law this Franchise shall survive such legislation and remain in effect for the term of this Franchise.

14.4 *Force Majeure*: Franchisee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by a Force Majeure.

14.4.1 Furthermore, the parties hereby agree that it is not the LFA's intention to subject Franchisee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on Subscribers.

14.5 *Notices*: Unless otherwise expressly stated herein or otherwise required by law, notices required under the Franchise shall be mailed first class, postage prepaid, to the addressees below. Each party may change its designee by providing written notice to the other party.

14.7 *Amendments:* Amendments and modifications of this Franchise shall be mutually agreed to in writing by the parties.

14.8 *Captions:* The captions and headings of articles and sections throughout this Agreement are intended solely to facilitate reading and reference to the sections and provisions of this Agreement. Such captions shall not affect the meaning or interpretation of this Agreement.

14.9 *Severability:* If any section, subsection, sentence, paragraph, term, or provision hereof is determined to be illegal, invalid, or unconstitutional, by any court of competent jurisdiction or by any state or federal regulatory authority having jurisdiction thereof, such determination shall have no effect on the validity of any other section, subsection, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of the Franchise.

14.10 *Recitals:* The recitals set forth in this Agreement are incorporated into the body of this Agreement as if they had been originally set forth herein.

14.11 *Network Prohibition:* Under no circumstance including, without limitation, upon expiration, revocation, termination, denial of renewal of the Franchise or any other action to forbid or disallow Franchisee from providing Cable Services, shall Franchisee or its assignees be required to sell any right, title, interest, use or control of any portion of Franchisee's Network including, without limitation, the Cable System and any capacity used for Cable Service or otherwise, to the LFA or any third party. Franchisee shall not be required to remove the Network or to relocate the Network or any portion thereof as a result of revocation, expiration, termination, denial of renewal or any other action to forbid or disallow Franchisee from providing Cable Services. This provision is not intended to contravene leased access requirements under Title VI or PEG requirements set out in this Agreement.

14.12 *Rate Regulation:* The rates and charges for Franchisee's Cable Service shall comply with any applicable provisions of 47 U.S.C. § 543. The parties acknowledge and agree that the rates and charges imposed by Franchisee for Cable Services will not be subject to the approval of or regulation by the LFA since Franchisee will be subject to effective competition as provided in 47 U.S.C. § 543. Therefore, the LFA will not regulate Franchisee's rates at this time under Section 14.426 of the Cable Law, but it reserves any right to regulate Franchisee's rates it may have in the future.

14.13 *Acceptance Fee.* Any franchise acceptance fee imposed by the LFA pursuant to Section 14.408(h) of the Cable Law shall be mutually agreed to by the LFA and Franchisee in advance of the imposition thereof.
