1 **WHEREAS**, Section 1.119 (c) of the Howard County Code authorizes the County
2 Executive to submit a furlough plan to the County Council for its approval by Resolution; and
3

4 **WHEREAS**, the County Executive has determined, based on all available projections,
5 that a decrease in revenue during Fiscal Year 2010 can be anticipated; and
6

7 **WHEREAS**, the County Executive has determined that a reduction in the County's
8 operating expenditures is required; and
9

10 **WHEREAS**, the County Executive is attempting to avoid additional employee layoffs as
11 a means of offsetting the anticipated revenue decline; and
12

13 **WHEREAS**, the County Executive has determined that closing County offices on
14 December 28, 2009, December 29, 2009, December 30, 2009 and December 31, 2009 will be an
15 efficient method of realizing the needed operating savings; and
16

17 **WHEREAS**, the furloughing of approximately 1,815 full-time, part-time, contingent and
18 probationary employees, as identified in Section 3 of the attached Furlough Plan, will generate
19 an estimated \$1,840,193 in savings.
20

21 **NOW, THEREFORE, BE IT RESOLVED** by the County Council of Howard County,
22 Maryland this 20th day of May, 2009 that the Furlough Plan as attached to this
23 Resolution is approved; and
24

25 **BE IT FURTHER RESOLVED**, that the Furlough Plan shall be effective July 1, 2009.

Furlough Plan

Section 1. Definitions.

- (a) **Bargaining unit:** An employee association which has been certified under Subtitle 6 of Title 1 of the *Howard County Code* as the *collective negotiating agent* for the purposes of representing all County employees within the appropriate representation unit.
- (b) **Furlough:** A period of leave without pay under the provisions of Subsection (c) of Section 1.119 of the *Howard County Code*.
- (c) **Furlough day:** The number of hours in one-fifth of an employee's regularly scheduled workweek.

Section 2. Circumstances requiring the furlough.

This furlough is necessary because, due to recent economic conditions, County revenues are not adequate to cover costs necessary to maintain County operating expenses.

Section 3. Scope of the furlough plan.

Unless employees are excluded pursuant to Section 4 of this Plan, this Plan shall apply to:

- (a) All full, part-time, contingent or probationary employees who hold positions in the classified or exempt services as set forth in Section 1.111 of the *Howard County Code*;
- (b) All full, part-time, contingent, or probationary employees who hold positions in the state-authorized exempt service as set forth in Section 1.305 of the *Howard County Code*; and
- (c) Employees who are members of a bargaining unit and are governed by a collective bargaining agreement as set forth in Section 1.111(e) of the *Howard County Code*.

Section 4. Exclusions from the furlough plan.

Unless the applicable collective bargaining agreements as approved by the County Council provide otherwise, this Plan shall not apply to:

- (a) 911 Dispatchers and Emergency Communications Operators;
- (b) Police Officers below the rank of Sergeant;
- (c) Firefighters below the rank of Captain; and
- (d) Correctional Officers.

Section 5. Furlough period.

This Plan is effective during Fiscal Year 2010.

Section 6. Number of furlough days.

- (a) During the furlough period, all full time County employees identified in Section 3 shall take four administrative leave days and part-time employees identified in Section 3 shall take a pro-rated number of administrative leave hours, as determined by the Chief Administrative Officer.
- (b) An employee, at the employee's option, may also take leave without pay subject to approval of the Chief Administrative Officer upon the recommendation of the employee's appointing authority. Pay for such leave shall be deducted from that employee's paycheck for the pay week during which the leave without pay occurs and charged to that pay period.

Section 7. Method of implementation.

- (a) *December, 2009.* Except as provided in subsections (b) and (c) of this section, employees subject to this Plan as set forth in Section 3 shall take the required administrative leave days described in subsection (a) of Section 6 on December 28, 2009, December 29, 2009, December 30, 2009 and December 31, 2009.
- (b) *Alternate days.* With the approval of the Chief Administrative Officer, an appointing authority may schedule administrative leave during the furlough period for those employees who may have to work on one of the days listed in subsection (a) of this section in order to meet operational needs, to provide essential services of the department or for other legitimate reasons concerning the health, safety and welfare of the County.
- (c) *Local 3085.* Members of American Federation of State, County and Municipal Employees, Howard County Local 3085, Council 67, AFL-CIO ("Local 3085"), pursuant to an agreement between the County and Local 3085, who do not take leave under subsections (a) or (b) of this section may instead opt to take four furlough days and take the reduction for each day during the pay week during which the furlough day occurs. Under this option, the employee shall reimburse the County for any of the furlough days not taken during the furlough period if the employee remains employed for the entire furlough period. If the employee leaves County employment before the end of the furlough period, the number of furlough days will be pro-rated.
- (d) Except for members of Local 3085 who opt to take furlough days under subsection (c) of this section, throughout the furlough period, employees subject to this Plan as set forth in Section 3 shall be subject to a salary deduction equal to 1.5%. However, overtime and any fringe benefit that is based on a legislated salary schedule contained in the Pay Plan

for Fiscal Year 2010 shall be calculated with regard to that legislated schedule, not subject to the 1.5% reduction.

- (e) Notwithstanding any contrary provisions of the Howard County Code relating to the Howard County Retirement Plan or the Howard County Police and Fire Employees Retirement Plan ("Plans"), employee pick-up contributions and any applicable benefits will be calculated based on the employee's full legislated annual base salary calculated without regard to the salary reduction of 1.5%. Moreover, participants in the Plans will receive service credit for all purposes under the Plans for the furlough period described in subsections (a) and (b) of Section 6.
- (f) The appointing authority of each employee subject to this Plan as set forth in Section 3 shall ensure that all leave days granted in accordance with subsection (b) and (c) of this Section are scheduled and taken during the furlough period.
- (g) Part-time employees shall be entitled to administrative leave days on a pro-rata basis.
- (h) The operating budget has been reduced by 1.5% for those agencies who have contingent employees subject to this Plan as set forth in Section 3. Accordingly, the appointing authority for those employees shall insure that contingent employees' hours or wages be reduced consistent with a 1.5% reduction in budgeted funds.

Section 8. Applicability to bargaining units.

The County Executive may negotiate an agreement with any bargaining units that are exempt under Section 4 for the participation in this Plan to the same extent and under the same conditions as provided, without the need for further action by the County Council.

Section 9. Executive Order.

In order to meet unanticipated circumstances, the County Executive may, by Executive Order, modify the provisions of this Plan. A copy of any Executive Order issued under this section shall be filed with the Administrator of the County Council within ten business days of its issuance.

Section 10. Other information required.

As required by Section 1.119(c)(2) of the Howard County Code, the following information is also provided:

- (a) The approximate number of employees to be furloughed is 1,815 and are identified by agency, salary, grade and salary schedule as set forth in the attached Exhibit A.

- (b) The dollar amount of savings expected from this Plan is approximately \$1,840,193.
