Speed Enforcement Fund

Description

This fund allows the Department of Police to implement a speed enforcement program in Howard County to increase public safety on county roadways in compliance with local and state requirements. This fund receives revenues from fines paid by motor vehicle operators exceeding the posted speed limits on designated county roadways. Citations are issued based upon review of photographic evidence provided by speed camera equipment in compliance with local and state requirements. Funds in excess of those needed to operate the program can be used for other public safety uses in the capital and operating budget.
