**Subject:** A Stand Up for Downtown Affordable Housing

Dear Elected Officials:

The Full Spectrum Housing Coalition has advocated for a full spectrum of housing in our new Downtown since the beginning of the planning process.

You are keenly aware of the situation. No affordable housing to date. No affordable housing on the drawing boards. An upcoming SDP that could turn a bad situation into a lost situation.

Almost everyone supports Downtown affordable housing. Downtown must have a fair share. Downtown can't become a high end enclave surrounding the People Tree.

The FSHC intends to demonstrate wide-spread community support at a Downtown gathering on Wednesday, May 27th from 5:00 - 6:30pm.

We invite you to join us, listen to citizens' concerns, and express your support for a full spectrum, Downtown.

Roy
