

Howard County Council Meeting

June 15, 2015

Council Chair and Council Members,

I am here this evening to offer my support to the appointment of Elizabeth Larney to the Howard County Cemetery Preservation Advisory Board. Being a member of the Cemetery Preservation Advisory Board I have a vested interest in its membership. Ms. Larney's interest, willingness to serve on the board, her preservation work at St. Paul's Cemetery and restoration of her historic home is an impressive resume and I view her as being an asset to the board.. I look forward to working with her on cemetery projects.

I ask for your passage of this appointment as our next meeting is July 14.

Fred Dorsey
