Re: CB 55-2015

Dear Members of the Council,

I support CB55-2015, and request an amendment.

I request an amendment removing Highland entirely from the BRX overlay.

Please amend the Bill by striking from Section 117.0 the words "*Highland*" and "*The Highland Rural Crossroads includes any property a portion of which is located within 1,000 feet of the centerline of the intersection of MD 108 and MD 216;*"

Please accept the input you received at the Highland Town Hall meeting. The Community and its business leaders opposed the BRX as proposed.

The work of the Joint Working Group formed by GHCA and HCCA between 2011 and 2013 should be respected by the Council and incorporated into any Highland zoning regulations.

Regards,
