Dear Ms Sigaty,

I would like to express my concern about the county wanting to shut down Dales Grooming business at 10688 Harding Rd – she has already moved the shop back far enough, leaving a considerable distance between the shop and her neighbors. I never hear an excessive amount of barking when pulling into the driveway. If I didn't know better, I wouldn't suspect anything out of the ordinary. She is a great asset to the community, and is providing a much needed service. It all sounds like this is just nit picking unnecessarily. I'm really hoping you will reconsider your decision of closing down her shop.

Thank you for taking the time to read this letter

Address of concern: 10688 Harding Road, Laurel, MD 20723

I am writing on behalf of Dale Martins. She runs a professional dog grooming business in our neighborhood that meets a much needed service. My dog has been to several groomers and has always been afraid but with Dale she goes right in because of the kindness Dale shows to her.

Dale has done everything that the county has asked of her. She is not hurting anyone or being a nuisance in anyway to our neighborhood. If it wasn't for a referral to her, I wouldn't have even known that she had a business on her premises.

Dale tailors services to meet her customers special requirements and financial budgets. Not all of us can afford the high price of dog salons. I understand that Dale is less than 1% shy of the required area in her yard. I think an exception should be made to allow her to continue her grooming business. I am sure exceptions have been made for matters that are more than that in the county.

This 1% is minimal and should be given an exception. Please consider this because it is of value to our neighborhood and the 1% is truly minimal and not enough to be arguing over.

Thank you!  
Anna Akins

Dale Martins is a wonderful resource for the care of our dog. She is not a typical groomer but more. As a friend she has a unique talent in grooming that gets our Wire Fox Terrier looking perfect for the breed, and for any competition. She is always there and goes above and beyond for our dog. She is an outstanding member of the dog show community.
