Ivan D. Montoya, M.D., M.P.H.

Dr. Montoya is the Deputy Director of the Division of Pharmacotherapies and Medical Consequences (DPMC) and Senior Medical Officer at the National Institute on Drug Abuse (NIDA). He received an M.D. from the University of Antioquia (Colombia), a Masters in Public Health from The Johns Hopkins School of Public Health, and completed residency training in Psychiatry at the University of Antioquia and the University of Maryland Hospital (Baltimore). He was a Fulbright-Hubert H. Humphrey Fellow at The Johns Hopkins School of Public Health, Visiting Foreign Fellow at the Intramural Research Program of NIDA, Director of the Practice Research Network of the American Psychiatric Association, and consultant for the World Health Organization's Pan American Health Organization. He has published extensively in the areas of etiology, prevention, treatment (pharmacological and non-pharmacological), and medical consequences of drug abuse.
