March 17, 2016

Dear Mr. Kittleman,

I have had the wonderful opportunity of serving on the Howard County Board of Housing and Community Development. It has been brought to my attention that my term will expire on June 30, 2016. I am submitting this letter to request reappointment to serve on the Board.

I completed my doctoral studies at Howard University in Political Science with concentrations in Urban Politics and International Relations. My education, research and work experience has focused on exploring the intersection of housing, community resources and self-sufficiency. As an active member of the Board, I have had the pleasure of being part of an active and experienced group that has worked tirelessly to provide equitable housing opportunities to families throughout the county.

Throughout my tenure I have served as an advocate for residents. Each year, I have enjoyed watching new relationships flourish with housing development companies, realtors, advocates, and residents. As a result of these efforts, I am especially happy to see increased interest and attendance at community housing fairs each year.

In my capacity as Chair, I recently served on the county reorganization task force in an effort to ensure that the county not only provides residents with places to live, but with a seamless process to receive services that encourage long term self-sufficiency.

I have thoroughly enjoyed working with residents, advocates and staff from the Department of Housing and Community Services and sincerely hope that I am reappointed to serve on the Howard County Board of Housing and Community Development.

Sincerely,  
Caroline Harper, Ph.D.
