1 **Recitals**

2 In accordance with the provisions of Section 603 of the Charter of Howard County, Maryland  
3 (the "Charter"), the County Executive has submitted a proposed Capital Budget for fiscal year 2014 to the  
4 County Council, and, prior to the passage of this Act, the County Council of Howard County, Maryland  
5 has adopted a Capital Budget for the fiscal year ending June 30, 2014 (the "Capital Budget").

6 As a part of the Capital Budget, it is necessary that Howard County, Maryland borrow a sum not  
7 exceeding \$35,962,219 to be used for road construction projects and other capital projects specified in the  
8 Capital Budget (each a "Project", collectively, the "Projects"), which Projects are more particularly  
9 described in Appendix A attached hereto and incorporated herein, for payment of costs of issuance of any  
10 obligations issued to evidence such borrowing. Of such amount, \$25,958,219 appropriated for certain of  
11 such Projects, as indicated in Appendix A hereto in the column captioned "Amount to be Borrowed  
12 (Reauthorizations)", was previously authorized to be borrowed by the County during prior calendar years,  
13 but such authorized borrowing is expected to expire prior to the completion of such Projects and/or the  
14 sale of general obligation bonds to provide permanent financing therefor. Accordingly, it is necessary  
15 that such borrowing be reauthorized ("Reauthorizations").

16 **Now therefore, in accordance with the provisions of Article VI of the Charter of Howard**  
17 **County, Maryland:**

18 **Section 1. Be it enacted by the County Council of Howard County, Maryland,** That Howard  
19 County, Maryland (the "County"), is hereby authorized and empowered to borrow on its full faith and  
20 credit, and issue and sell its bonds therefor, at one time or from time to time, an amount not exceeding  
21 \$35,962,219, the proceeds thereof to be used to finance and refinance the Projects more particularly  
22 specified and described in Appendix A attached hereto and in the Capital Budget; including for each  
23 Project, without limitation, the cost of planning, design, construction, reconstruction, furnishing,  
24 equipping, improvements, renovations, remodeling, enlargements, engineering services, architects  
25 services, surveys, landscaping, site development, evaluation studies, land acquisition and related items,  
26 appurtenances and incidental activities. The Projects and the amounts to be borrowed for each (including,

1 without limitation, any Reauthorizations), are more specifically identified and described in Appendix A  
2 attached hereto.

3 Proceeds of any bonds authorized by this Act may also be used to pay costs of issuance  
4 of such bonds.

5 **Section 2. And be it further enacted by the County Council of Howard County, Maryland,**

6 That, pursuant to and in accordance with Article 31, Section 12 of the Annotated Code of Maryland, as  
7 amended, the County is also authorized to issue bond anticipation notes in anticipation of the issuance of  
8 the bonds authorized by this Act and described in Section 1 hereof, and all references to “bonds” or  
9 “obligations” shall include such bond anticipation notes, unless the context clearly requires a contrary  
10 meaning. It is intended that the aggregate principal amount of issued and outstanding bond anticipation  
11 notes when added to the aggregate principal amount of issued and outstanding bonds in anticipation of  
12 which such notes were issued, shall not exceed the aggregate principal amount set forth in Section 1 of  
13 this Act at any time. The County will agree in each ordinance described in Section 4 of this Act relating  
14 to any notes issued pursuant to this Act to pay such notes and the interest and premium, if any, thereon  
15 from the proceeds of the bonds in anticipation of the sale of which such notes are issued, and the County  
16 will agree to issue such bonds when, and as soon as, the reason for deferring their issuance no longer  
17 exists.

18 **Section 3. And be it further enacted by the County Council of Howard County, Maryland,**

19 That, in connection with the acquisition of real property as part of a Project, the County may incur all or  
20 any portion of the indebtedness authorized by this Act for such acquisition by entering into an installment  
21 purchase agreement pursuant to and in accordance with Section 4.201A of the Howard County Code  
22 (“Section 4.201A”) or any successor provisions of law in lieu of issuing bonds for such acquisition. The  
23 principal amount of any such installment purchase agreement shall not exceed the lesser of (a) the  
24 maximum principal amount permitted by Section 4.201A or (b) the portion of the amount to be borrowed  
25 for such Project (as set forth in Section 1 hereof) which relates to such acquisition. All references to

1 “bonds” or “obligations” in this Act shall include such installment purchase agreements, unless the  
2 context clearly requires a contrary meaning.

3 **Section 4. And be it further enacted by the County Council of Howard County, Maryland,**

4 That the County Council of the County, by an ordinance or ordinances adopted from time to time in  
5 accordance with Article VI of the Charter and other applicable provisions of law, shall provide for (a) the  
6 issuance and sale of, (b) the maximum principal amount, designation, form, tenor and denomination or  
7 denominations of, (c) the dates of the first maturity (not more than two years after the date of issue) and  
8 the last maturity (not more than 30 years after the date of issue) of, and (d) the interest rate or rates per  
9 annum (or the method of determining such rate or rates) payable on, any bonds or other obligations issued  
10 from time to time under this Act; and may by any such ordinance, or by separate resolution, provide that  
11 the issue of bonds or other obligations hereby authorized be consolidated with one or more other issues.

12 **Section 5. And be it further enacted by the County Council of Howard County, Maryland,**

13 That for the purpose of paying the principal of and interest on such bonds or other obligations as the same  
14 shall become payable, the County Council of Howard County shall levy annually ad valorem taxes upon  
15 the assessable property in the County sufficient, together with building excise taxes and other available  
16 funds, to pay the principal of and interest on such bonds or other obligations until all of such bonds or  
17 other obligations shall mature and be redeemed. The full faith and credit and unlimited taxing power of  
18 the County are hereby irrevocably pledged to the payment of the principal of and interest on such bonds.

19 **Section 6. And be it further enacted by the County Council of Howard County, Maryland,**

20 That any bonds or other obligations issued from time to time under this Act are specifically exempt from  
21 the provisions of Article 31, Sections 9, 10 and 11 of the Annotated Code of Maryland, as amended, and  
22 any successor provision of law.

23 **Section 7. And be it further enacted by the County Council of Howard County, Maryland,**

24 That all bonds or other obligations authorized hereby shall be issued within four years from the date this  
25 Act becomes effective. Notwithstanding the foregoing, if bond anticipation notes are issued within such

1 period in accordance with Section 2 hereof, the bonds authorized hereby may be issued until the final  
2 maturity date of such notes.

3 **Section 8. And be it further enacted by the County Council of Howard County, Maryland,**  
4 That the County anticipates that a portion of the costs of some or all of the Projects may be paid prior to  
5 the issuance of the bonds or other obligations authorized hereby. The amount of such costs so paid will  
6 depend on various factors, including, without limitation, the timing and speed of progress on the Projects,  
7 the availability of other funds to pay such costs on an interim basis, bond and money market conditions  
8 and compliance with federal and State laws and regulations.

9 Accordingly, the County reasonably expects to reimburse costs of the Projects (as described  
10 herein) with proceeds of the bonds or other obligations authorized hereby, such bonds or other obligations  
11 to be issued by the County in the maximum principal amount of \$35,962,219.

12 **Section 9. And be it further enacted by the County Council of Howard County, Maryland,**  
13 That this Act shall take effect sixty-one (61) days after its enactment.
