Council Resolution 54-2017

Beverly Davis provided an overview of the amendment the Board is requesting to adjust the proposed categorical transfers and answered questions from the Council. Ms. Sigaty expressed her disappointment that no Board Members were present to discuss their decisions regarding legal expenses.

Council Members requested the following additional information:

1. An explanation of the Board's decisions regarding legal expenses
2. An update on plans for the joint County-School System discussion of health and dental funds at the next joint meeting of the Council and Board
3. Explore the possibility of including union representation in those health and dental fund discussions
4. Information in next year's budget document to show which category each budget item falls within
5. Include budget update and projections by category as a standing agenda item for future joint meetings of the Council and Board

The meeting was adjourned at 5:08 p.m.
