#### Council Bill 60-2017 (ZRA 180)

Ms. Terrasa asked that there be another work session on this legislation so there can be a public discussion with Dr. Velculescu regarding the testimony he presented and submitted. Ms. Terrasa suggested inviting other experts to speak to health and safety concerns as well. Mr. Weinstein agreed and advised Council Members that Ms. Feldmark would be working with them on identifying other possible work session continuation times as there are only five hours available for the work session on October 11.

Council Members and representatives of the Administration provided overviews of each of the amendments they had filed. Jennifer Sager and Amy Gowan discussed Administration amendments, and Jeff Dannis joined them in answering questions from the Council.
